

A festive birthday card with a torn paper effect. The top half features a pattern of colorful confetti (red, green, blue, yellow) and streamers. Below this, a white, torn paper band contains the word "Celebrate!" in a large, red, 3D-style font. The bottom half returns to the confetti and streamer pattern. A large, dark blue ribbon banner is draped across the bottom, with the word "Phenix" written in a gold, serif font. Several balloons in green, red, blue, yellow, orange, and pink are scattered around the card, some partially obscured by the torn paper.

## Good Morning!

Good morning to the "First Day of School". The day every student (hopefully) is not absent. The Seniors, of course, show up just to prove who's who on East Union's campus. The Juniors show up to prove who's who on East Union's campus. The Juniors show up to prove to be a forever nuisance to the Senior Class. The Sophomores are there for their health, and the Freshmen are simply there because they are all tired of elementary school. Regardless of why students show up for school or not, at least they are here on East Union's campus, ready to share the school year together which means, having fun while **CELEBRATING** together!

We've Got the Look!

Moving with the style . . . that's the most important "subject" in high school. But it seems like every morning I wake up asking "What am I going to wear today?" Once again, my morning ritual begins—searching through my entire wardrobe for that perfect outfit. Finally, after trying everything I own—I decided that I must dress as bad as Pee Wee Herman. So much for being in style—Let's break out with the sweats!

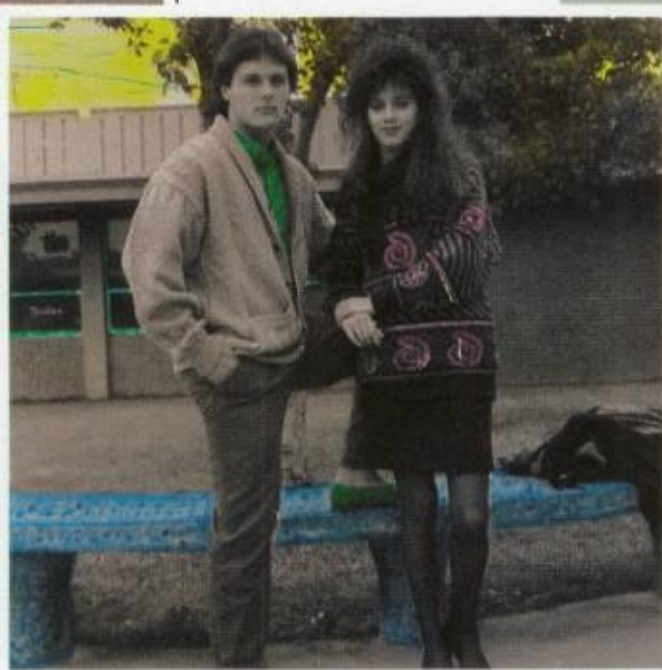

What's *HOT* in fashion this year? Anything and everything you can find in *Macy's*, *Contempo*, *Oak-tree*, or *Merry-Go-Round*. Acid-washed jeans, mock turtle necks, and the "classical" logo T-shirts were some big hits in fashion. Of course, brand names like *Liz Claiborne*, *Gotcha!*, *Bongo*, and *Jimmy'Z* were hot items on the market this year.

Let's celebrate style in '88—because "we want that look!"

# Between Friends

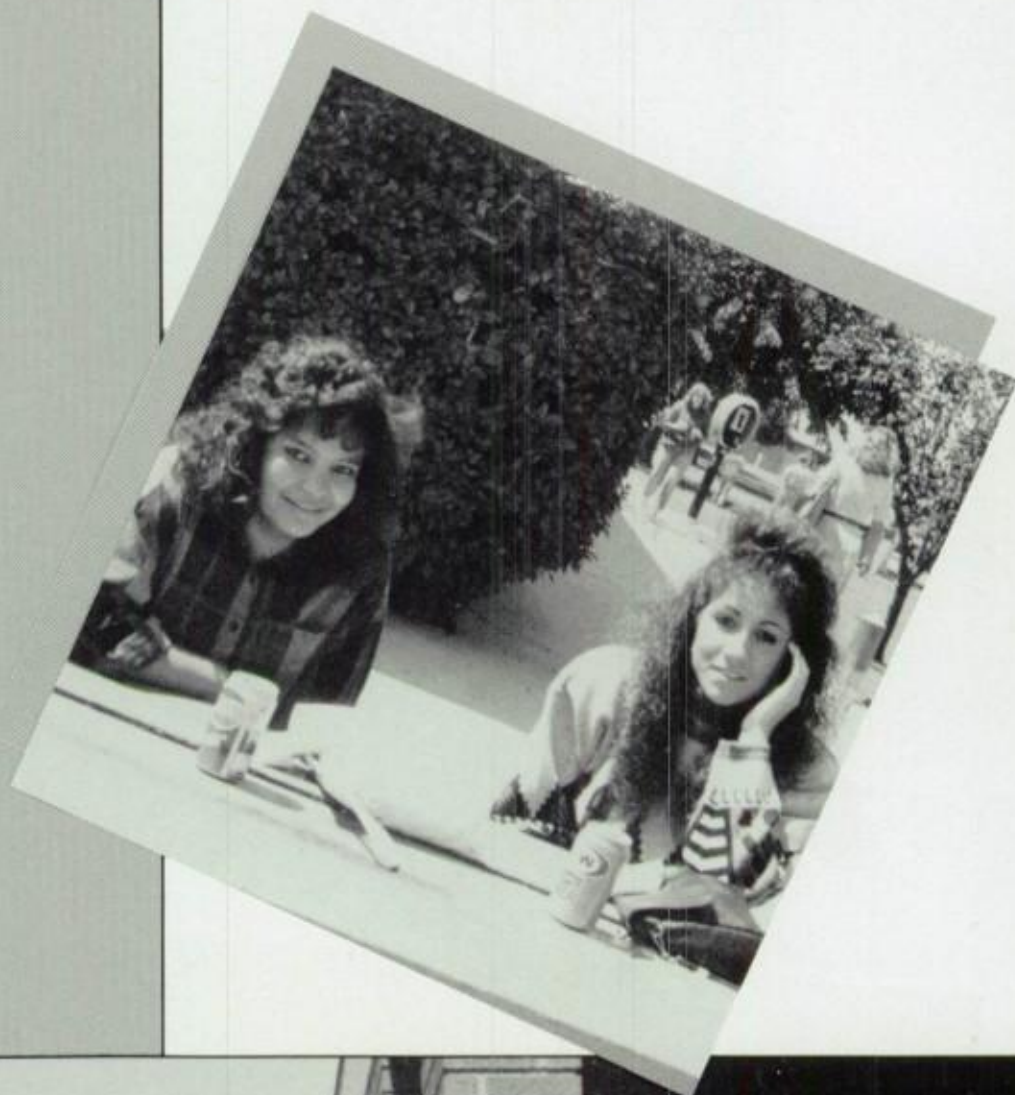

*Kim and Crystal are good friends. Karen and Angie are best buds! "Here's lookin' at ya!" from Heather and Stella.*

During our school years we form many friendships. Each are different from the other. Some friends you can share your innermost thoughts and secrets with. These friends are special people. As you look back you remember all the good times. You remember how you laughed and had fun at a football game with your special friends. Special friends are easy to have a good time with, even when you just "hang out". Together you've achieved goals, like winning a championship game together.

Everybody needs companionship and cheer Someone whose thoughts are always near. We need someone kind to lend a helping hand Someone to gladly take the time to care and understand. We all need someone to share each happy day To be a source of courage when troubles come our way. Someone to be true to us whether near or far apart Someone whose love we'll always hold and treasure in Our hearts.

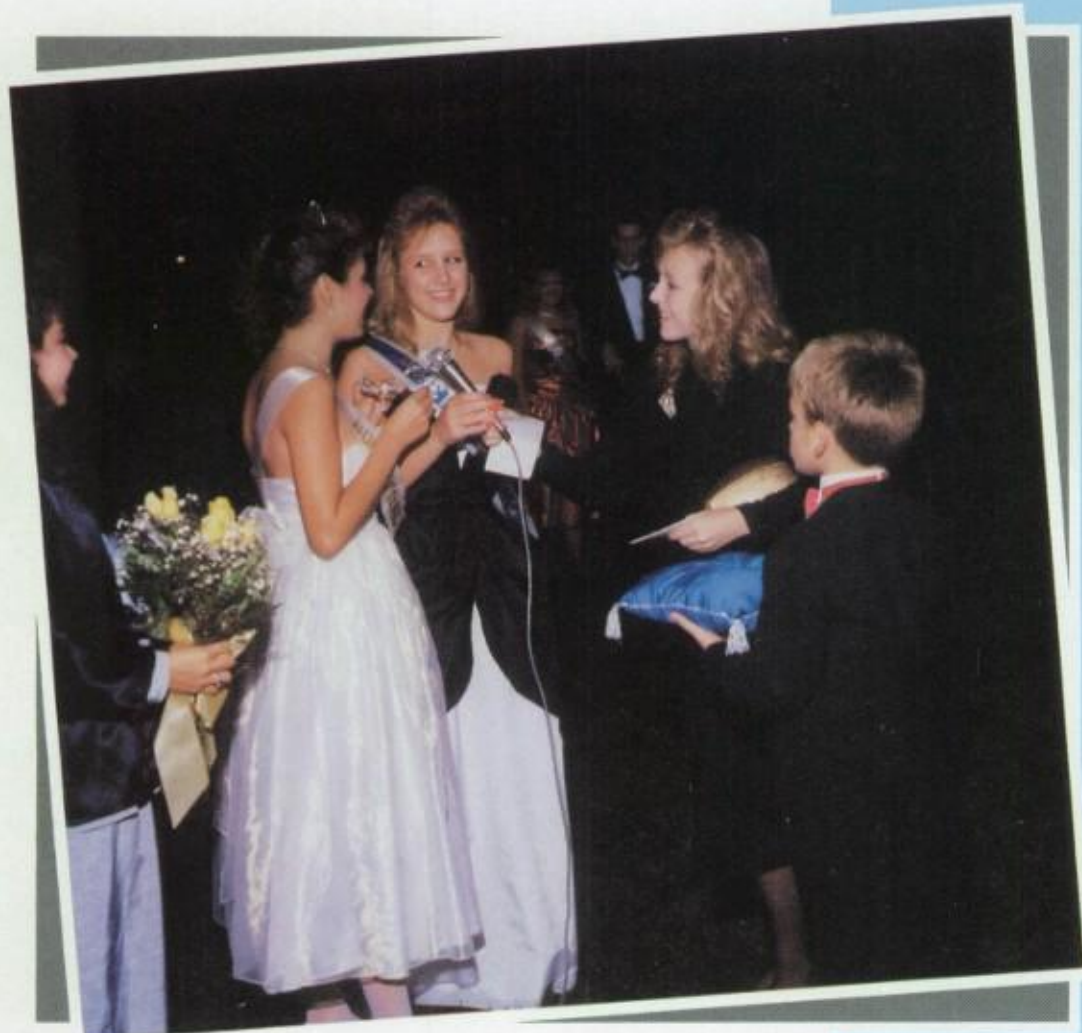

*Christie and Tammy are special friends. A group of friends gather around for a picture.*

## LANCER EXTRAVAGANZA

Homecoming '87 was an exciting and special week. This year there was an addition to the annual Homecoming Festivities. For the first time in Lancer history a Homecoming King and Prince was crowned. Other participants were: Jesse Sandoval, Paul Widmer, Alex Landeros, Dimitri Koger, Mitch Nobriga, and Rome Ilardi.

The following night, the new Queen and the new Princess were crowned. The reigning Homecoming Princess, Risa Gonzales, crowned Cory Kwiatowski, the new Princess. The other girls who participated in the evening's extravaganza were: Wendi Haro, Stacey Hagen, Annie Jesus, Karrie Woodard, Dana Ballard, and Jennifer Cheek.

Monday-Safari Day  
 Tuesday-Occupation Day  
 Wednesday-Time Warp (2000, 1960's, 1920's, cavemen)  
 Thursday-Gender-Bender/Halloween Day  
 Friday-Born in the USA Day (red, white, & blue)

The big finale came on Friday with our traditional homecoming parade, game, and dance.

October 29, 1987-marked the date of East Union's first nite rally in an entire decade. Thanks to the terrific turn up and involvement of our students and faculty—it was a huge success!—as the Lancers went back to Woodstock.

## DANCE THE NIGHT AWAY!

Throughout the world everyone is dancing. Both young and old, from waltzing to square dancing to slam dancing. The whole world loves to dance to all kinds of music like Bon Jovi, Janet Jackson, Alabama, Richard Clayderman, or Depeche Mode. Dancing is a sort of relaxation for everyone. It's something everyone can enjoy.

T.G.I.F. Thank God it's Friday!! Yeah!! It's Friday!! Forget about homework and stressful tests that are coming up!! It's time for all the E.U. students to unwind and relax. After cheering the E.U. team to victory, where do they go? Of course they go to the after-game dance. Kids can socialize, gossip, laugh, and, of course, dance.

These dances are sponsored by either classes or clubs, and are quite profitable. The sponsors of the dance hire a band or a DJ to take care of the music. But, whatever song is playing, the dance floor is always filled with dancers having a great time.

Upcoming dances that students are eager to attend are the Christmas Dance, the Sadie Hawkins, the Jr.-Sr. Prom, and something new this year, a MORP Dance. Kids Dance the Night Away!!!!!!

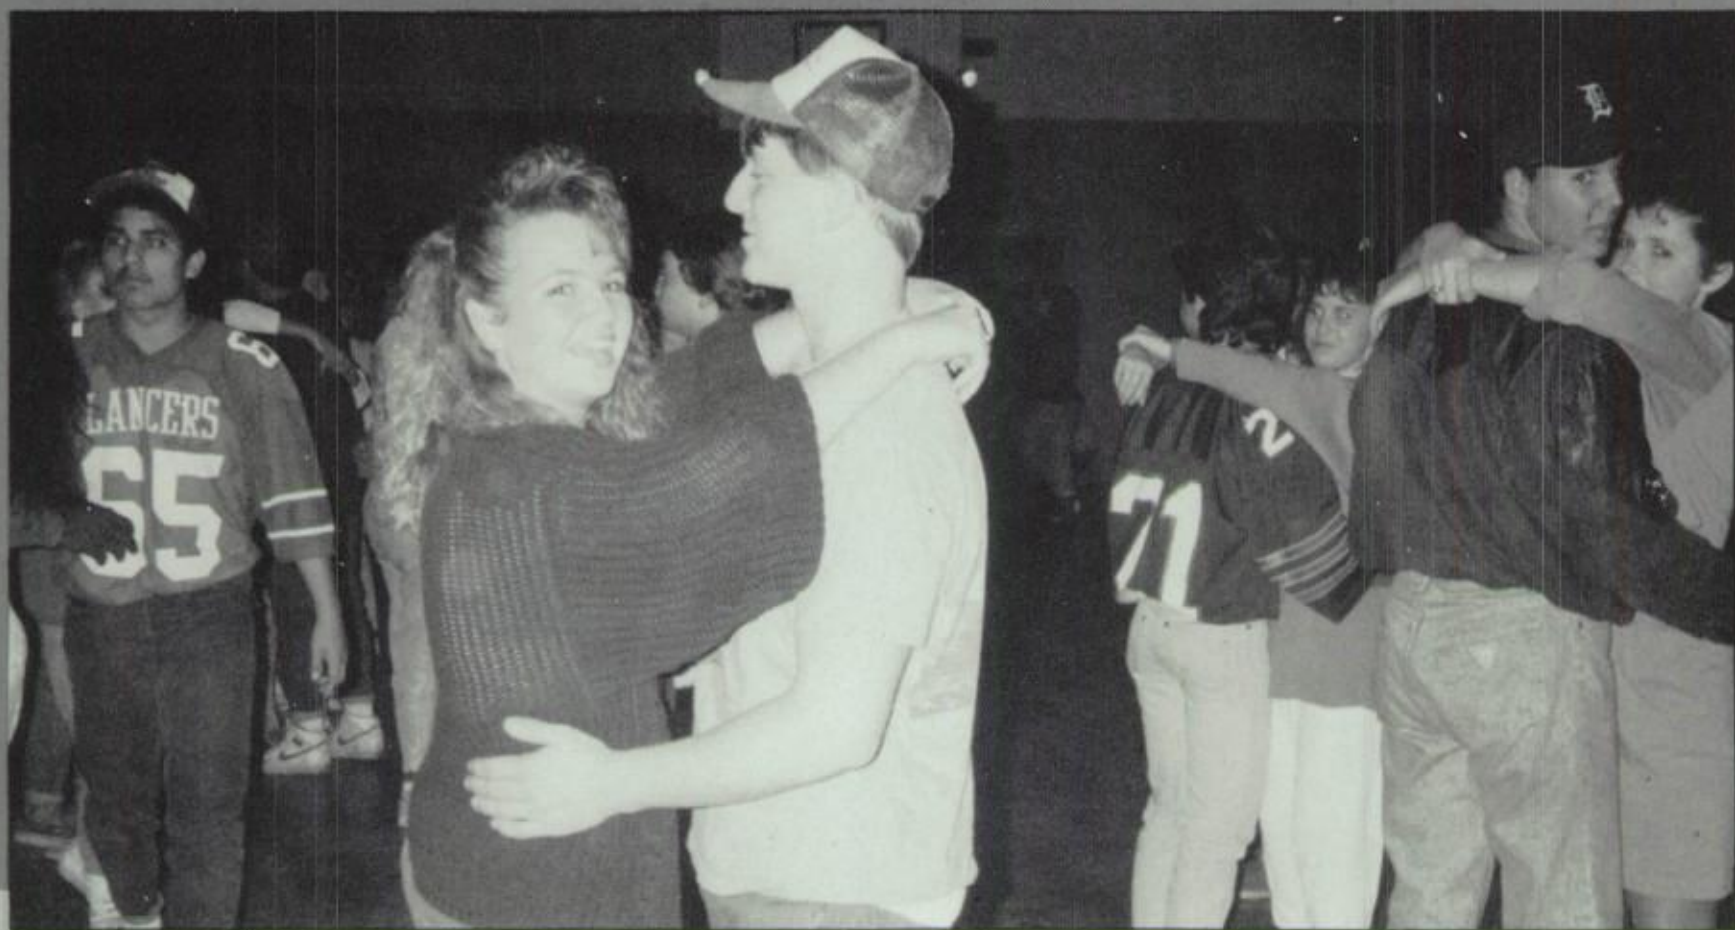

HOLD ON!! Jason Stock holds on tight to his girl.

# DANCE!DANCE!

# ICICLE ILL

... a dance to remember!

"Icicle Illusions" was the theme of the 1987 East Union/Manteca High Christmas dance. Icicles and snowflakes adorned the large gym while a huge Christmas tree made of balloons stood majestically in the center of the floor. For most couples the night of December 5, 1987, began with dinner for two at a nice restaurant or maybe a double date and a not so quiet dinner for four. Then on to the dance where pictures were first in priority so that the hair remained neatly in place, the dresses wrinkle free and corsages and boutonnieres were still fresh. After pictures were taken and the music was hot the dancing began. At the stroke of twelve the dance was over but memories of the evening will live in the memories of those who went.

*Mistle toe Magic. Everyone smiles pretty under the mistletoe.*

# VISIONS

*Sniff!* Cassie Smedley takes a good wiff of her X-mas tree before the dance. *Smile!* Holly Sapp and beau James Vosburg are happy to decorate.

*Check Your List!* Katy McGrath and Jeff Pollet look naughty & nice! *OOAAH!* The (almost) finished product!

1. Smile!-Jenny Wade is too shy to take a picture with Jullie and Sabrina.
2. Just between friends-Wendi Kelly and Kathy Kooyman are taking a break.
3. A look to kill-Shane Davenport is ready for you to make his day!

Woodstock

Come on Lancers—show your spirit! Rallies are the perfect time and place to get wild, crazy, and to strut your stuff—show us the *real YOU!*

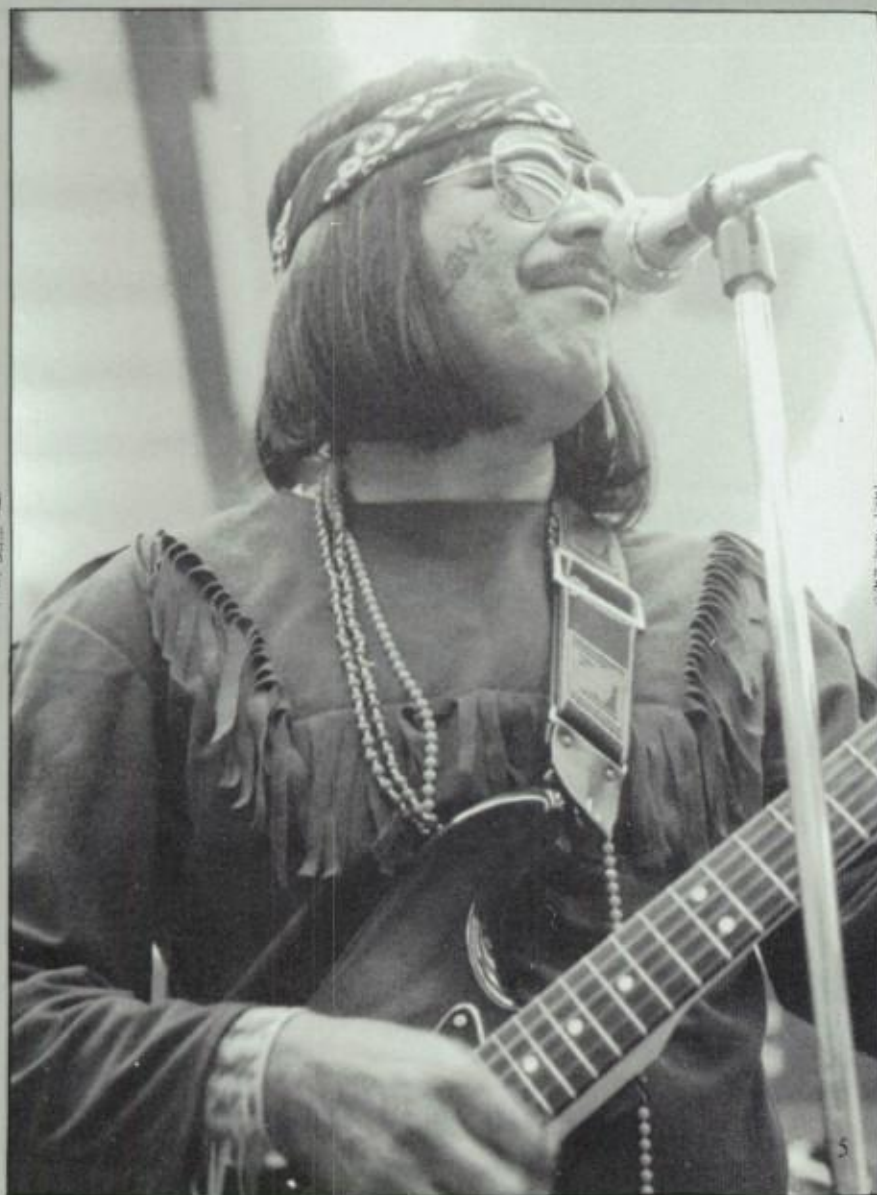

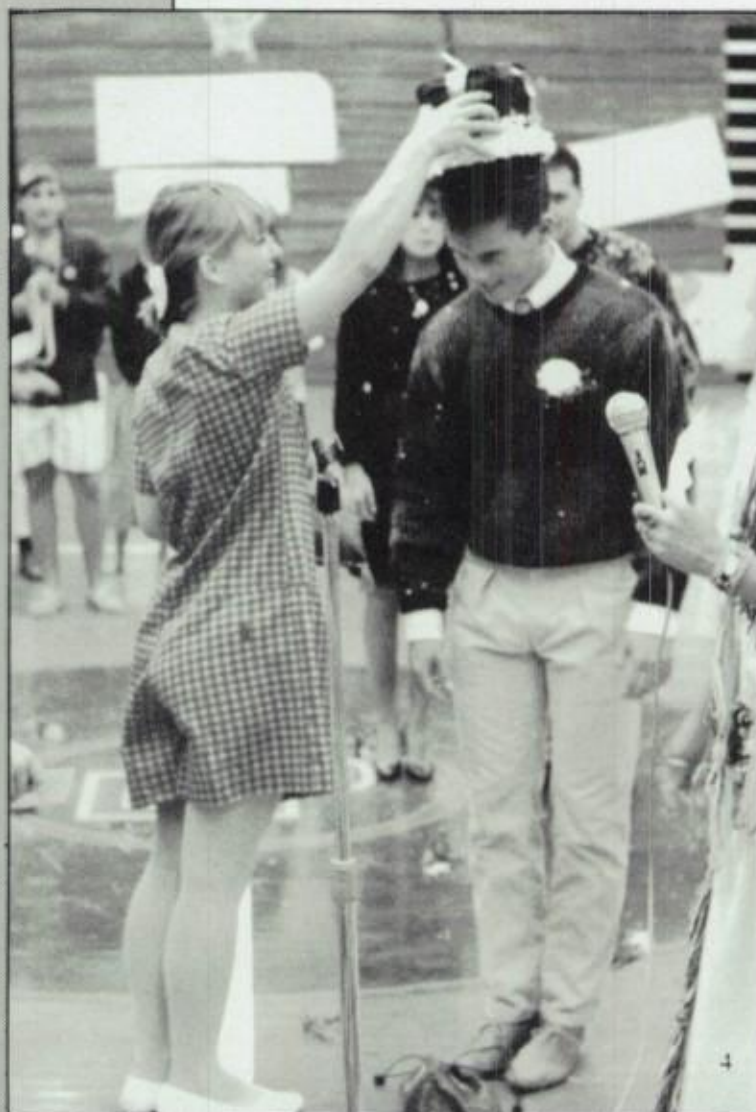

Our first nite rally in a decade at East Union was the best rally that E.U. has ever seen. That night as the Lancers went back to Woodstock by dressing up in the 60's styles, we crowned our first male royalty. The "Hunter" duo swept us away as *Chad Hunter* was crowned King and his brother, *Justin*, got the title Prince. Other exciting events that night were the Beehive Hairdo contest, the Kiss the Pig contest, and the Dating Game.

The LANCERS definitely have unlimited spirit so let's celebrate in '88 with the greatest rallies ever!

2. And the Winner Is . . . -Tera Snow picks the macho Shane Davenport as her #1 guy in the Dating Game.

# CAMPUS HAPS

WHAT'S GOING ON LANCERS?

# What's Up EU?

So what's up? Well Lancers, everything is up. There are so many things happenin' on this exciting campus. First a sad note. Mr. Williams is retiring after many years of service at good ol' EU. We'll be missing you Mr. Williams. We hope you enjoy your retirement!!!!

This Fall we had a couple of guest speakers from Doctor's Medical Hospital in Modesto. They discussed how easily spinal injuries occur in sports, car accidents, etc. and safety procedures to prevent these fatal injuries from happening. A demonstration of what to do if there is an accident was shown. So be careful!!

'Tis the season to be jolly fa-la-la-la-la-la-la! Jolly is just what the Lancer students felt. The Christmas spirit hit our campus. with a donation of 1,600 canned goods going toward the unfortunate people in our community. That's the spirit Lancers!!

Now, what is a Human Relations Day? It's where students from our campus spend a day getting to know one another, improve communication with faculty members, parents, and fellow classmates, and was to improve our school. Throughout the year a total of 4 took place in either Mickie's Grove or Oakwood Lake.

Finally, there was a selected number of junior girls chosen by faculty to take part in this years graduation ceremonies. They are known as Camelot Maidens. Each girls is assigned 4 seniors, where they become secret pals with them by sending them a little note and gift during holidays.

*LISTEN*—A victim of spinal injuries shares his traumatic experience with the students.

*HEY MR. WILLIAMS*—The '87 Grand Marshall is looking Great: Happy Retirement!!!!

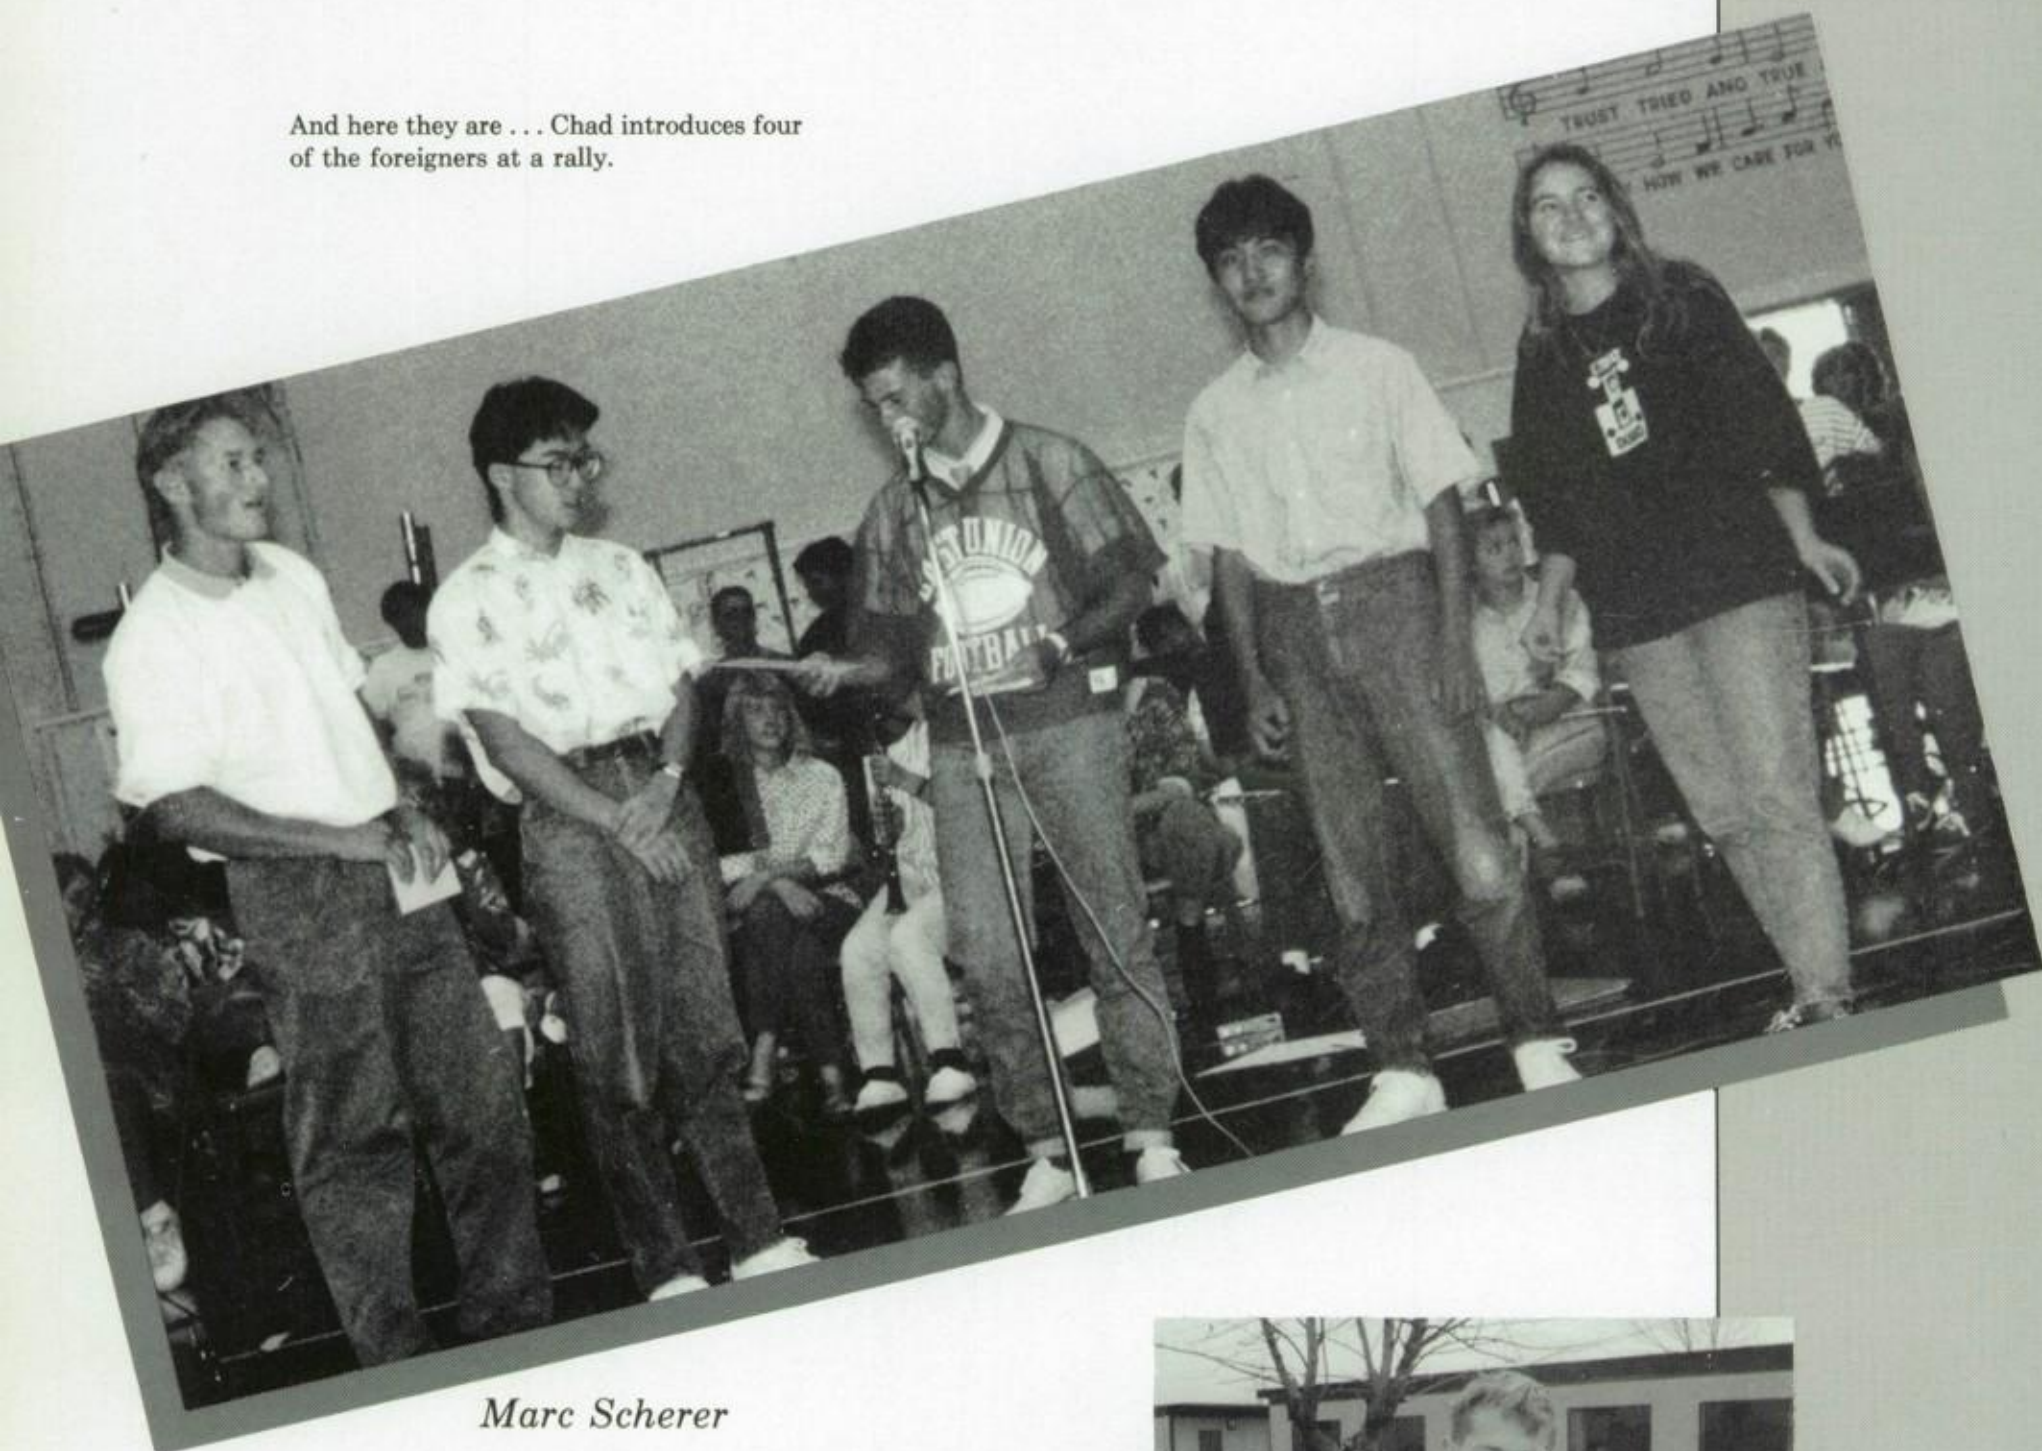

*I'M TIRED*—After counting the cans one by one, Mr. Barron seems to have become fatigued.

## FOREIGN EXCHANGE ADVENTURE

And here they are . . . Chad introduces four of the foreigners at a rally.

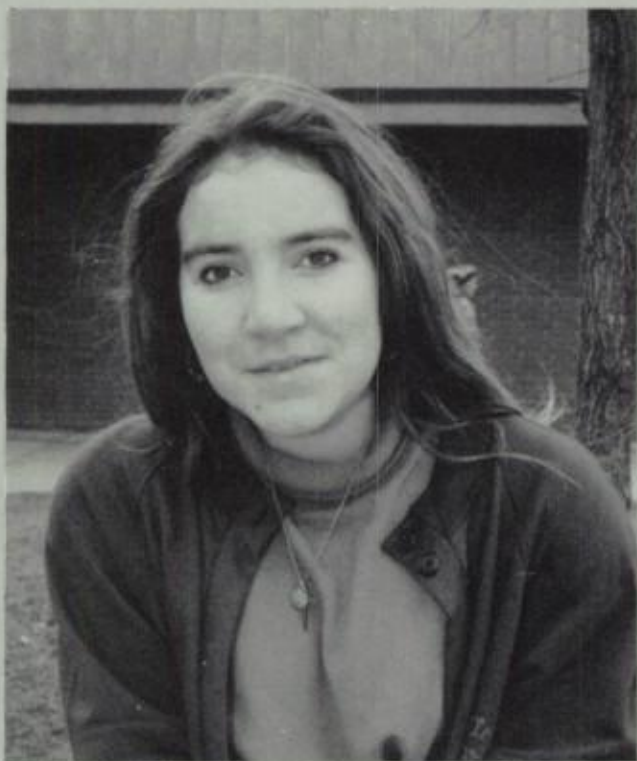

*Marc Scherer*

18-year old Marc, a student from Germany, is a vibrant young man who enjoys life in the U.S. He loves San Francisco and Santa Cruz. Snowboarding and skiing are among his hobbies here, which also include running and playing pool. At home, he enjoys those activities as well as playing tennis, windsurfing, and cycling. When asked what he misses most about home, he told us he missed his parents, friends, and the good food! His future goals include being a scientist or take over his dad's T.V./Stereo Shop. He plans on visiting again in the future.

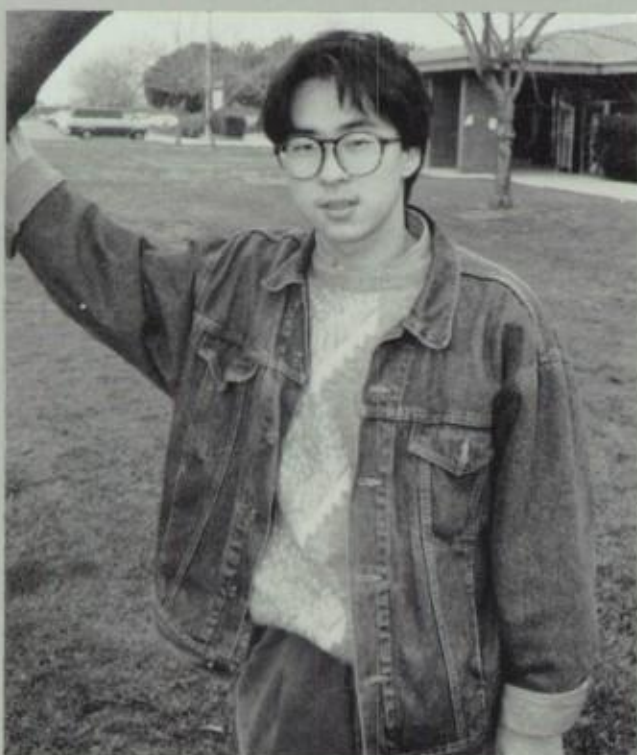

### *Stephanie Lhomme*

Stephanie is an 18-year old from France. There, she lives with her mom and dad and also has a brother and a sister. She has plans to move out and go to a university. Just like Marc, she also misses family, friends, and food. In her spare time, she parties, plays tennis, goes out with her friends, skis, and goes to dances. When she goes back, she wants to study international business and hopefully visit again after her studies.

### *Chikai Fujiwara*

This year, Japan gave us 18-year-old Chikai. Here, he likes the people and the idea of freedom. He misses his friends and the snow the most from back home. The most unusual thing he found here was the educational system. In his spare time he watches TV, spends time with his friends, and reads comic books. His future goals include becoming a teacher or a pharmacist. He'd also like to visit America again and see places such as New York and L.A.

### *Christian Lundin*

Christian is an 18-year old from Sweden. Food, friends, and the beaches are among some of the things he misses back home. The good weather, Mexican food, and the American ego are his likes of this country. Some of the unusual things he found here were the door knobs and the style of sports cars here. His hobbies include reading, going to the movies, dances, and cruising. He has given thought to moving to the U.S, to go to school and hopefully get a good paying job. But first he has to continue his studies at home and do the military since it is mandatory. He enjoys America very much.

## Science Camp

Remember way back in sixth grade when you went to Science Camp? It was so fun being with your friends and meeting new people. Who could forget having to kiss the cold and slimy banana slug? Several years later the tables are turned. East Union High School had four eager students Heather Armstrong, Sophia Avalos, Darci McCleary, and Stella Thompson be counselors. They were at Camp Jones Gulch in LaHonda, California from October 19 to October 23. Each day the counselors discovered new things with their kids. They went on several hikes. They ventured through the woods on day hikes and night hikes. All of the counselors and the kids went to Pebble Beach and Magical Marsh.

*Coming together. Sophia, Heather, Darci, and Stella are enjoying themselves with counselors from other schools.*

## Spirit!

Spirit! Spirit! Spirit! No other word can describe the East Union Student Body response to BEAT MANTECA WEEK! As our basketball team got ready for the big game, the rest of the E.U. students were proclaimed "Lancers on the warpath." That week, spirit days were a great help in setting the tone for the big game. The tip of the iceberg was the best rally of the year which included the MALE CHEERLEADERS which showed Lancer spirit. It is fair to say that we did whip the buffs, the final score was 73 to 57. The fans of E.U. were very loyal this year attending most of the games. # CLUBS

CSF is the California Scholarship Federation Club for college bound students. Members join each semester with a fee of just one dollar. Our chapter of the California Scholarship Federation is quite active in both school and community activities. They have held many fundraisers this year including the ever popular Valentine Grams. To qualify and be in CSF is an honor and privilege. The members reap many benefits as well as life membership for five qualifying semesters.

SADD is the club for Students Against Driving Drunk. It is a youth organization dedicated to the abolishment of drinking and driving. Alcohol is the largest abused drug by young people in our society today, and has unfortunately with the help of car keys, taken many lives. The students who are members of SADD have taken a stand against this abuse and are trying to do their part to stop it.

The Lifters Club at East Union is a new one, but an old sport. Lifting weights for the development, improvement, and perfection of the human physique has been around for centuries. It seems to have always been the male preoccupation to look and feel "buffed". The Lifters Club gives students an opportunity to get together and have fun while getting in shape. The East Union weight room offers a variety of weights and hydraulics. If getting bigger and better is your goal, then ATING muscle in 88'.

The Academic Decathlon is CELEBRATING knowledge in 88'. They have had a strong and successful year. The members were tested on a variety of subjects. The subjects were Essay, Interview, Economics, Social Science, Natural Science, Grammar and Literature, Math, Fine Arts, and the Super Quiz. This year Robert Avila placed a strong first in the Economics division and the entire team placed second in the Super Quiz. The topic for the Super Quiz was the scoreboard had to be turned over. Congratulations E.U. Academic Decathlon champs!

The Key Club is CELEBRATING service in 88.

Scott Smith, David Essenwein, and Tom Andry are excited about upcoming Key Club events.

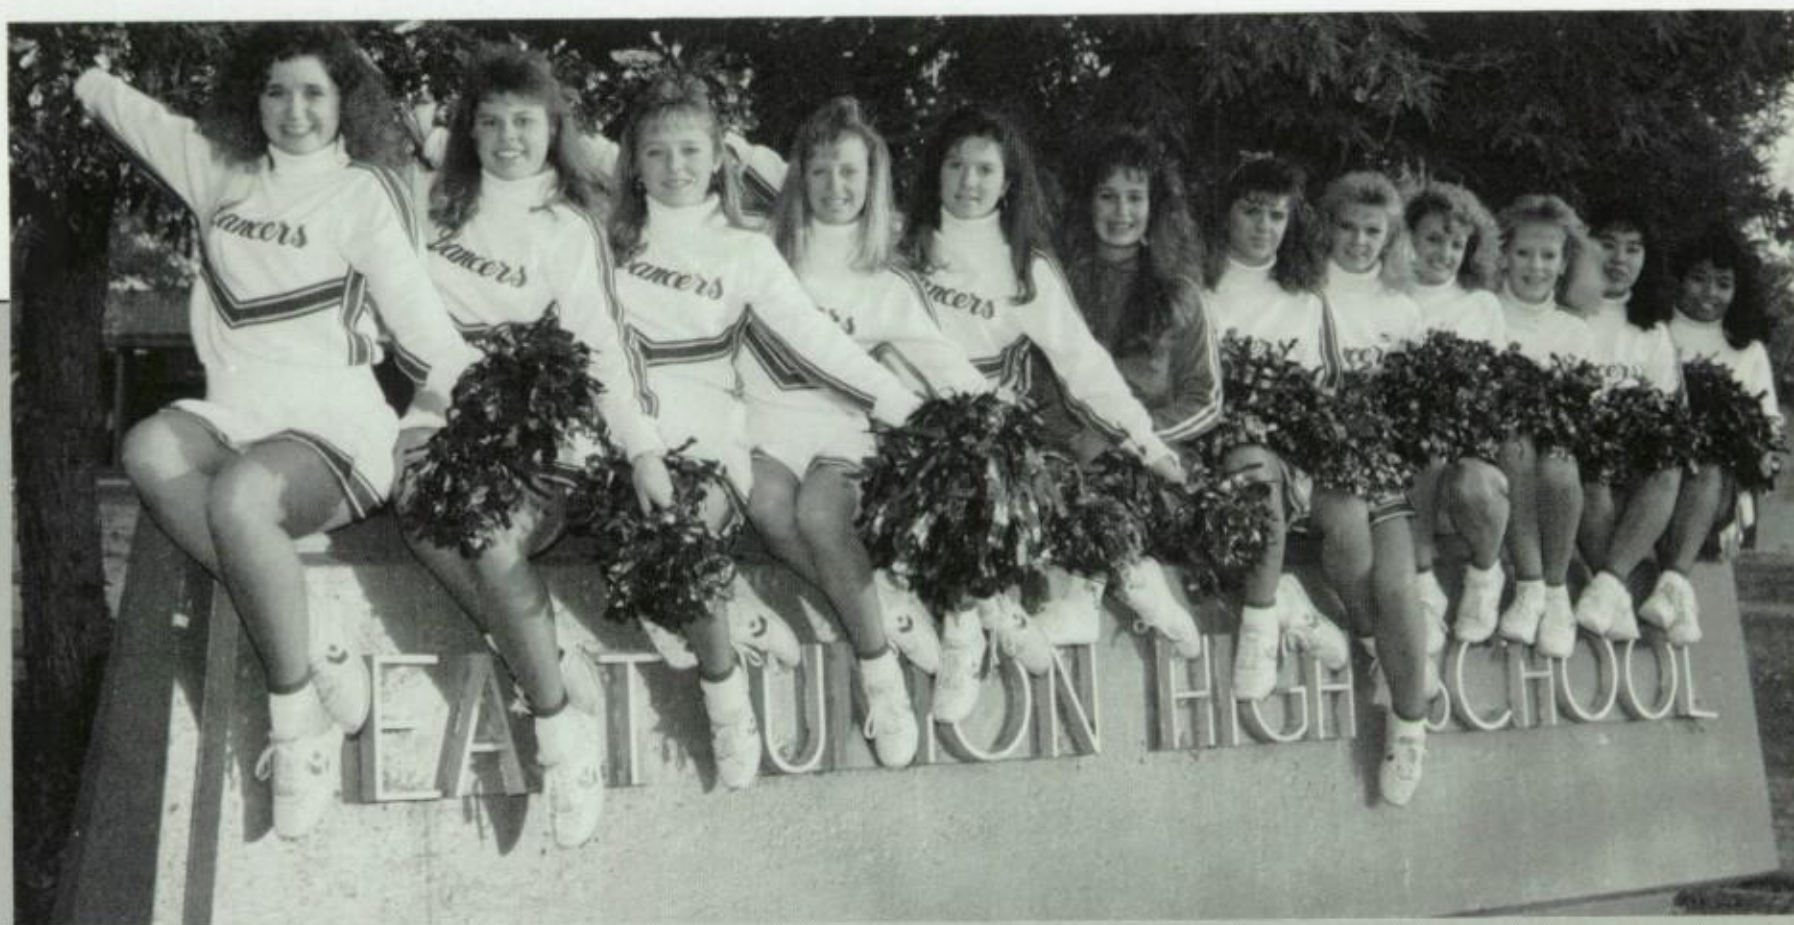

# CHEERLEADING

*Varsity*

Cheerleaders are CELEBRATING spirit! Where would the Lancers be without them? Every football game, basketball game, and rally needs the Rahs Rahs to promote niose, adrenaline, and spirit. Some people may have the illusion that cheerleading is all fun and yells. Believe it, it's alot more than a "lean, lean,lean." Cheer-

leading is an extensive, vigorous, and dangerous sport. It involves many hours of stretch, sweat, and pyramids. The sweat is always covered up with a pretty smile and a short skirt. For the Cheerleaders, some of their best memories will be out on the football field movin' and shakin'.

# MUSIC

The High school band "plays" a big part in the high school experience for many people. The East Union band is one of pride and acclaim. They have represented our school both at the local and national levels. The hours and hours of hard concentration and practice paid off last year, when East Union traveled to Washington D.C. Our band came away with Honors after competeing with the best high school bands of the nation. The band is CELEBRATING success and pride this year.

## Jazz Band

For many students at East Union music is a way of life. Many hours of hard practice goes into the familiar sound we take for granted. This sound is the Jazz Band. For those of you who cannot distinguish band from band, the Jazz Band is the people behind the instruments at the end of the gym that make our rallies "live". There are students among us who devote their entire four years of high school to the Jazz Band. So, to these few select students called "Jazz Banders" goes a round of applause! CELEBRATE!

East Union band and chior members CELEBRATE music.

# CHOIR

The first three words just happen to be . . . Do Re Me. It seems there are a very few among us who are blessed with the right vocal chords for these three words. The lucky ones who are take advantage of it and jion the East Union chior. The chior sings a variety of music, from present day pop-rock to classical, opperetta and jazz. The chior is CELEBRATING their talents by singing at programs, festivals, productions and benifits.

# DRAMA

**ALL IN THE FAMILY**-Some cast members in the Advanced Drama Production *The Dining Room*: James Charlton, Corey Wilde, Miki Santos, Jenny Way, and Marie Masterson.

**YOU'RE DEAD MEAT GUY!** Robert Avila is about to get mangled by some members of the cast, *Death*: Tom Andry, Josiah Davenport, David Holmes, and Eric Carpenter.

**TAKE THAT YOU VILLIAN!** The cast of East Union's melo-drama *The Shame of Tombstone* witness the villian, Jeff Pollet's decline: Sherry Almon, Holly Sapp, Felicia, Cassie Smedley, Adam Holbrook, Jeff Pollet, David Langevin, and Michelle Pulido.

## Command Performance

This year, the Phenix yearbook staff was able to get coverage on 4 out of the 5 productions performed this year. The fifth one normally takes place in the late Spring. The first play was a melo-drama called *The Shame of Tombstone*. Advisor, **Mrs. Jory** directed it. The second production consisted of two one Act plays, each directed by a different director. They were *The Bald Soprano* and *Death*. Consequently, *The Bald Soprano* attended a Drama Competition and received

the Judges Special Choice Award. The fourth play was performed by only Advanced Drama students. *The Dining Room* went under the direction of The students themselves. All in all, DRAMA had an excellent year, however this could not be possible if it weren't for the many dedicated students who put forth their time into building up Drama. Thank you for the participation.

This year the Phenix Staff is **CELEBRATING** improvement. The staff was tired of publishing non-uniform books, and was ready for a change. Starting the year with a big group of experienced students, the Phenix staff proved to be better than ever. We feel we have published a uniform and exciting yearbook, that has set a precedence for future Phenix Staff-ers. We have spent many hours making this book the best we possible could, and now we present it to you. It is the students that make a yearbook possible. Weather this will be your first East Union High School yearbook or your last, we hope it will recall many happy memories of 1988, and the Celebration of the best years of our lives.

## Administration

Amongst the high school hustle and bustle, you can find those busy people who make it all happen. The Administrators are the hustle behind our school. They can often be found over-stressed and tired out but going strong during the day. **Rick Arucan**, East Unions' Vice Principal of two years describes his job as, "A lot of work but very worthwhile. Having a positive influence on students lives is so fullfill-

ing and makes up for all the long hours."

We owe much more than we know to these wonderful people. **Mr. Durham**, our ever devoted Principal, **Mr. Barron**, our loveable Activities Director, **Mr. Arucan** and **Mrs. Ferrero**, our hard working Vice Principals. So fit some time to CELEBRATE into your busy scheduals, you make our school what it is.

## Counseling

Who is it we run to when we are in trouble? When we don't like our classes? When we need someone to talk to? Well, they know who they are. They are those who's office is always overflowing with students, each with a deathdefying reason to be there.

If you have ever been lost on campus, needed a schedual change or someone to listen to you, you have probably found yourself wandering towards the counseling center, with or without a pass. Many long hours have been spent there visiting, working, laughing, and

crying.

Yes, the Counselors are the ones who get us to classes, to work, and to college. We would be lost without them in our high school experience. They are there for us and try their best to help us get what we want or decide what we want. They have become our friends. We have had many good times both with and at them, and there are many more to come. So CELEBRATE Mr. Mora, Mr. Drullard, Mr. Windham, Mrs. Bolton and Mrs. Flowers! You are loved and appreciated here at E.U.

# Teachers

Some have said the greatest of all professions is that of a teacher. A teacher can have perhaps the greatest effect on our lives and our growing generation. Teachers are the ones who scold us, praise us, make us, and brake us. Society counts on them to accomplish the abominable feat of educating us, the rebellious, the defiant, the lo-veable. They are given the responsibility of making sure we do something with our lives. After all, it is we who will run and rule this world tomorrow and they will have taught us well.

It is our teachers that we face everyday for over thirteen long hard years. It is they who face us everyday . . . and for this we salute you teachers of East Union, for helping us make the most of these **CELEBRATED** years, the best years of our lives.

## Setting the Pace

Coach Olson knew that after losing five of last year's starters, his 1987 year would be a "building year".

A building year it was! The Lady Lancers, under the direction of Co-Captains Carey Pulliam and Barbara Jones, constructed the most powerful and highest ranked team to ever play in the San Joaquin area.

The Ladies, with the hard hitting attack of **Carey Pulliam, Kim McCreath, Kim Taylor, Cheree McKenzie, Michelle Taylor, and Stacey Hagen** spiked out an amazing 24 wins!! This record of wins surpassed the area record by three wins!!

Besides winning their league, they captured First Place at the Summerville Tournament and their own Big Valley Tournament. Lead by the hitting-setting combo of **Carey Pulliam and Karrie Woodard**; the middle blocking of Stacey Hagen; and the outstanding support play

of **Karen Elliott, Crystal Hardcastle, La-Vaughn Shea, Jeanne Hardy and Angie Pinheiro**.

The individual Ladies earned a record number of awards: Summerville Tourney, Most Baluable Player—Carey Pulliam; All Tourney—Barbara Jones and Kim McCreath. Big Valley Tourney, Most Valuable Player—Carey Pulliam; All Tourney—Karrie Woodard and Barbara Jones. Ripon Tourney, All Tourney—Carey Pulliam. Valley Oak League, Most Valuable Player—Carey Pulliam; First Team—Stacey Hagen and Kim McCreath; Second Team—Karrie Woodard and Kim Taylor.

Coach Olson promises a third V.O.L. Championship is well within the reach of next years team. Coach Mike Morenzone has developed a winning J.V. program that will supply the building blocks for next year.

Karrie Woodard (#23) sets the ball up perfectly for Carey Pulliam (#15) to slam it down on the opponent's side.

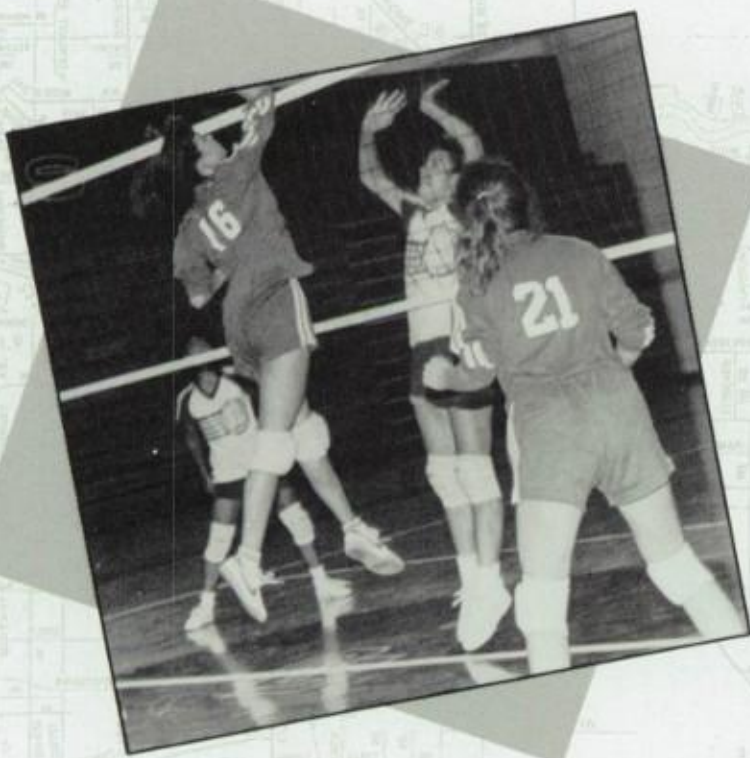

Kim McCreath (#22) makes a diving save for Karrie Woodard to set for Carey Pulliam—East Union's hitting-setting combo.

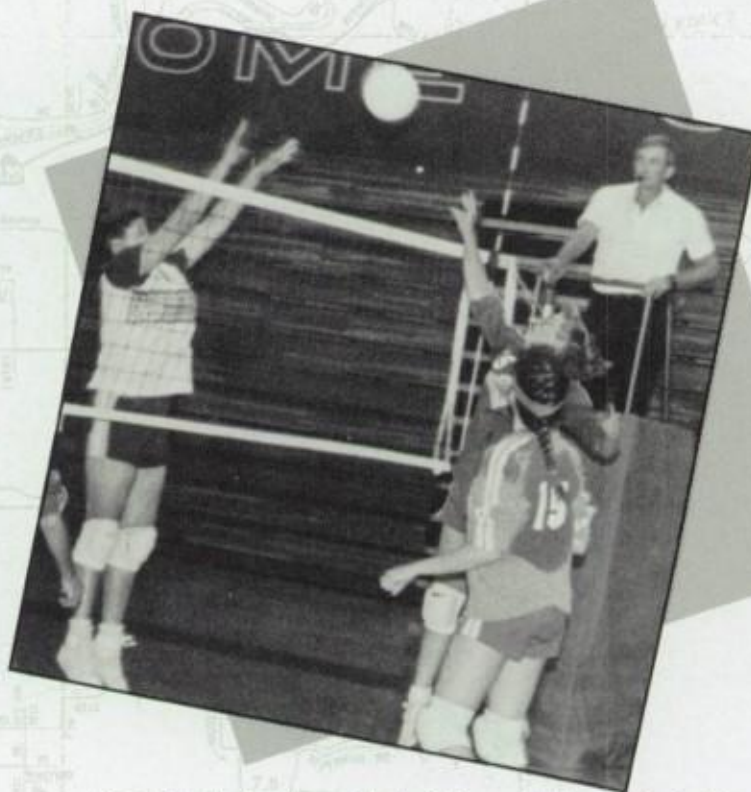

Front row: Crystal Hardcastle, Angie Pinheiro, Karen Elliott, Barbara Jones, LaVaughan Shea, Tracie Horillo; row two: Karrie Woodard, Coaches—Olson, Thiel, and Morenzone, Sherre McKenzie, Michelle Taylor; back row: Stacey Hagen, Carey Pulliam, Kim McCreath, Kim Taylor, Jeanne Hardy.

Lady Lancer, Stacey Hagen, spikes with great form for a Lancer gain.

An attempt to return the ball is made by Michelle Taylor(#19), one of the hard hitters on the E.U. team.

Front Row: Marcie Wright, Jennifer Way, Alma Castellanos, Jullie Thompson, Michelle Garcia. Row Two: Var. Coach Olson, Ass. Coach Thiel, J.V. Coach Morenzone, Heather Kalino. Back Row: Angie Paradzinski, Christine Soeth, Karen Aufdermauer, Sabrina Baxter.

## Exceeding

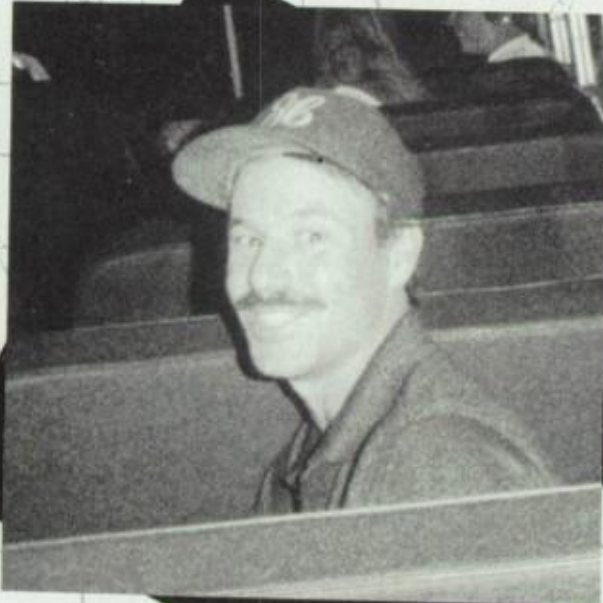

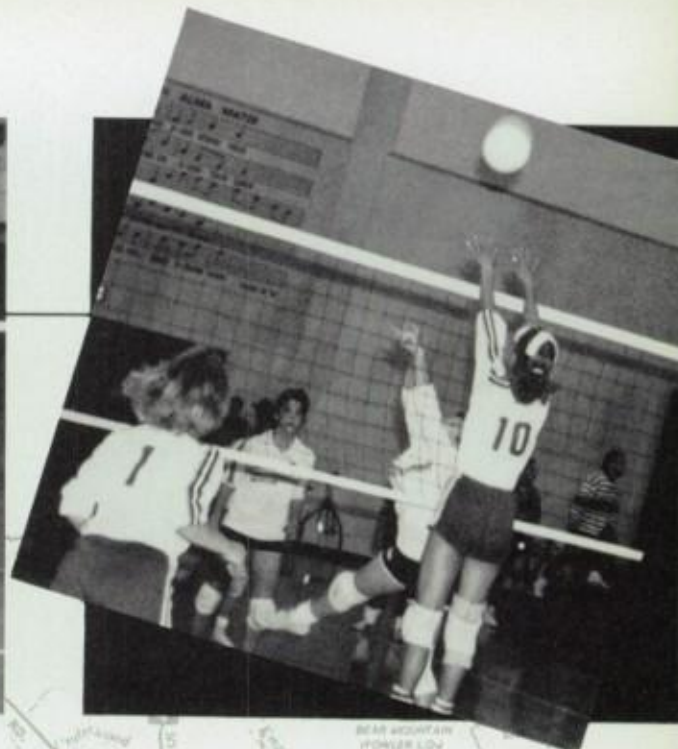

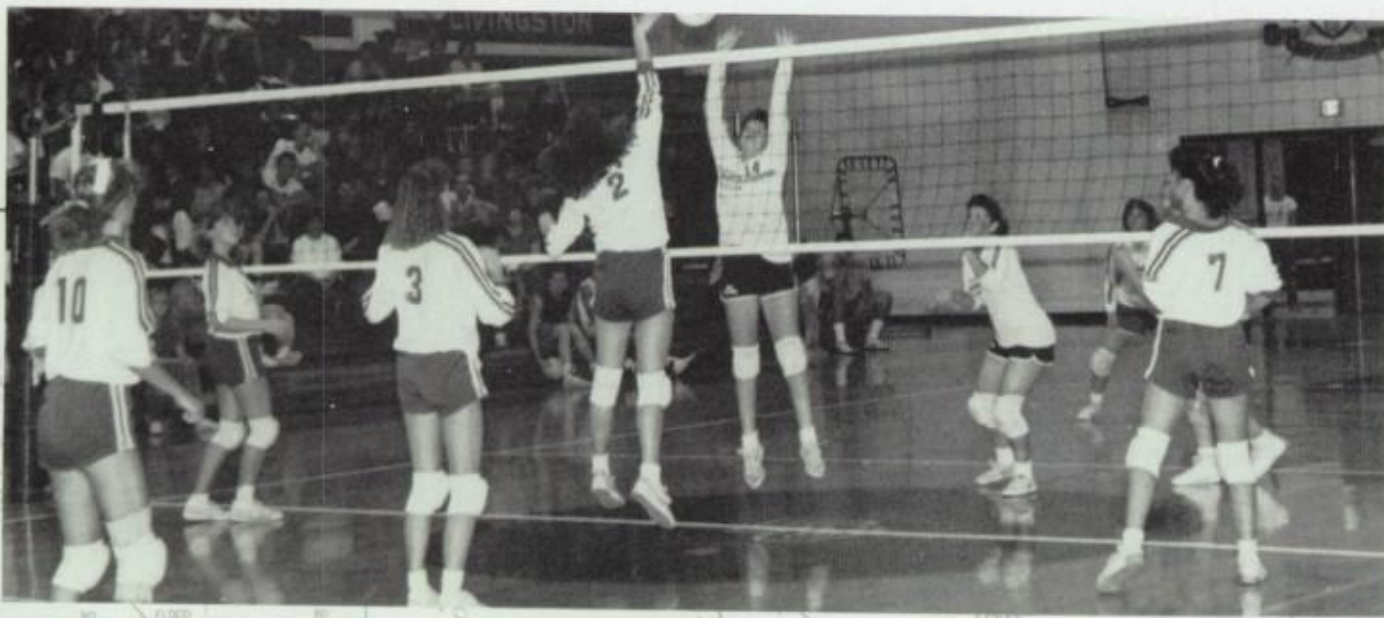

## The Limit

This year Junior Varsity "V.O.L." champions led by Captain, **Karen Aufdermauer** gave us a new record for aces served (63). While **Alma Castellanos** broke the record for most points served (174) and power hitter **Angie Paradzinski** had 31 kills throughout the season. With only seven players at the beginning of the season J.V. Coach **Morenzone** had doubts about this year's team. "I did not think we were going to get this far" he said, after winning "V.O.L." They received medals for first place at

the Big Valley Tournament. Receiving All-Tourney honors were **K. Aufdermauer** and **A. Castellanos**. The M.V.P. award went to **A. Paradzinski**. Also earned an All-Tourney award in the Summerville Tournament was **Karen A.** Winning the championship with a 9-1 record was a team effort led by the excellent back row playing of **Michelle G.** and **Jennifer W.** helped throughout the season. With the returning freshmen, next year's team looks to continue the winning tradition of East Union volleyball.

**Fabulous Teamwork:** 1. Angie Paradzinski, reaches out to receive a serve. 2. Sabrina Baxter and her fabulous spiking helps to win the game. 3. Angie P. goes up for another block against lady buffs. 4. J.V. Coach Morenzone, smiles big at the camera. 5. Alma C. attempts to spike against MHS.

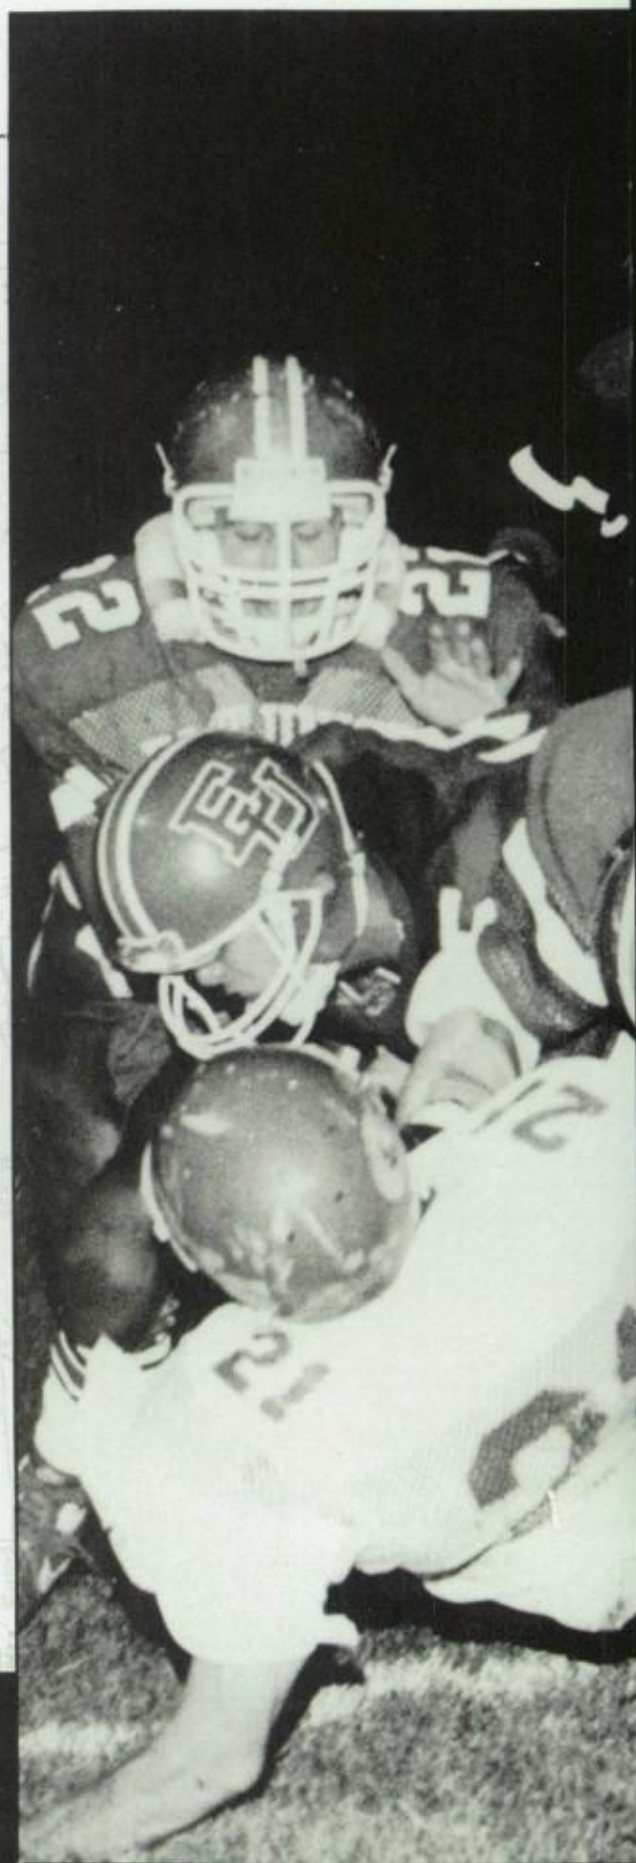

## They Took the Highway to Heaven

The East Union Varsity football team started out this year with high hopes of capturing the V.O.L. Championship. The Lancers started out with a victory over the Beyer Patriots and the Franklin Yellow Jackets. This was the best start in 7 years under the leadership of Coach Brown. Then the Big Game finally arrived. Sonora was placed as our opponent for the championship. Unfortunately, the Lancers were defeated and the hopes for the V.O.L. Championship disappeared. The Lancers ended the year placing second in the V.O.L. and finished with a five win and five loss record.

Though the Lancers didn't make it to the play-offs, they still had other positive

results. For instance, six members of the varsity team made it on the All-League team. These included: **Ryan Benedetti, Wayne King, Dimitri Koger, Alex Landeros, Gary Madden** and **Steve Messersmith**. And five other players made honorable mention to the V.O.L. Dream team. These included: **Marino Cabrero, Shawn Perez, Robert Randall, Alan Sandoval** and **Paul Widmer**. Another accomplishment that this year brought was a new E.U. record for rushing yards. **Alex Landeros** set this record with a total of 1,350 yards. He was also chosen the offensive player of the year in the V.O.L. Congratulations to both the coaches and the players for all your hard work!

**Dodging the Traffic**

1. Alex Landeros(#24) takes the ball downfield with some Mustang heat. 2. Coach Smith discusses the next play with a few key players. 3. Robert Randall(#15) puts on the speed to avoid a mustang tackle, while Dimitri Koger(#86) blocks another.

Mike Howry (#34) heads up the field for a Squire advantage.

## Traveling Offensively

This year the East Union Squires finished the season with a record of five wins and five defeats. In the V.O.L. they finished with a three win three loss record. Their coaches felt that many of the Squires had improved greatly since last year. They had good, hard rushing which helped them

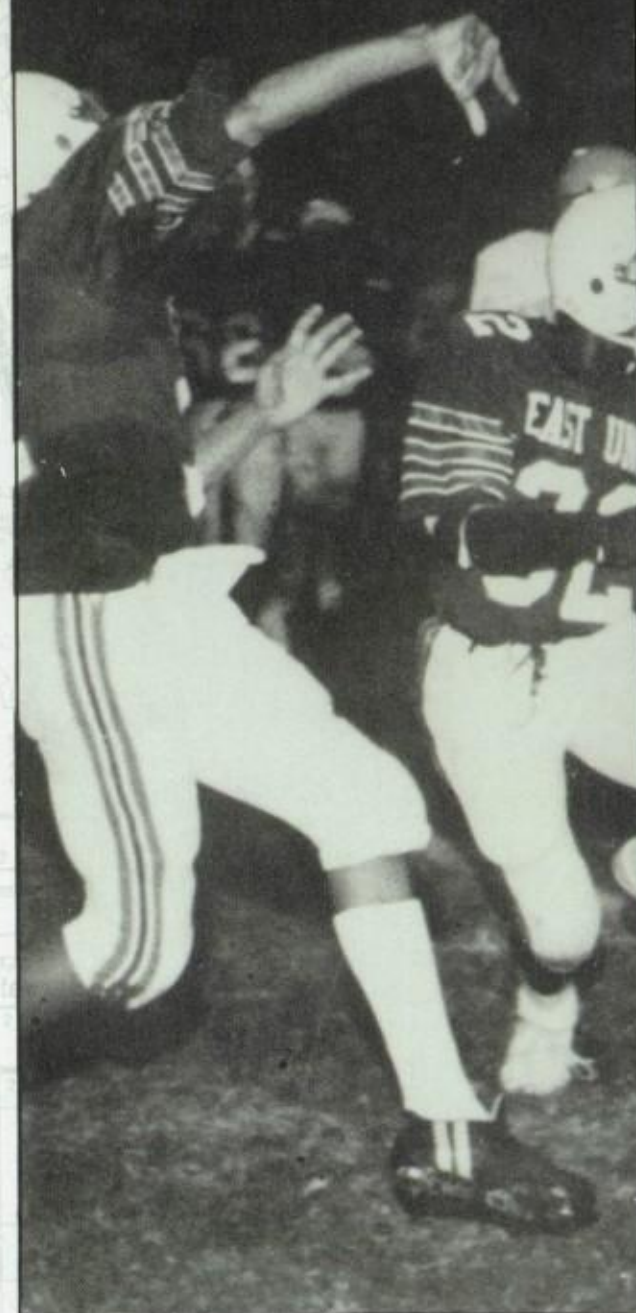

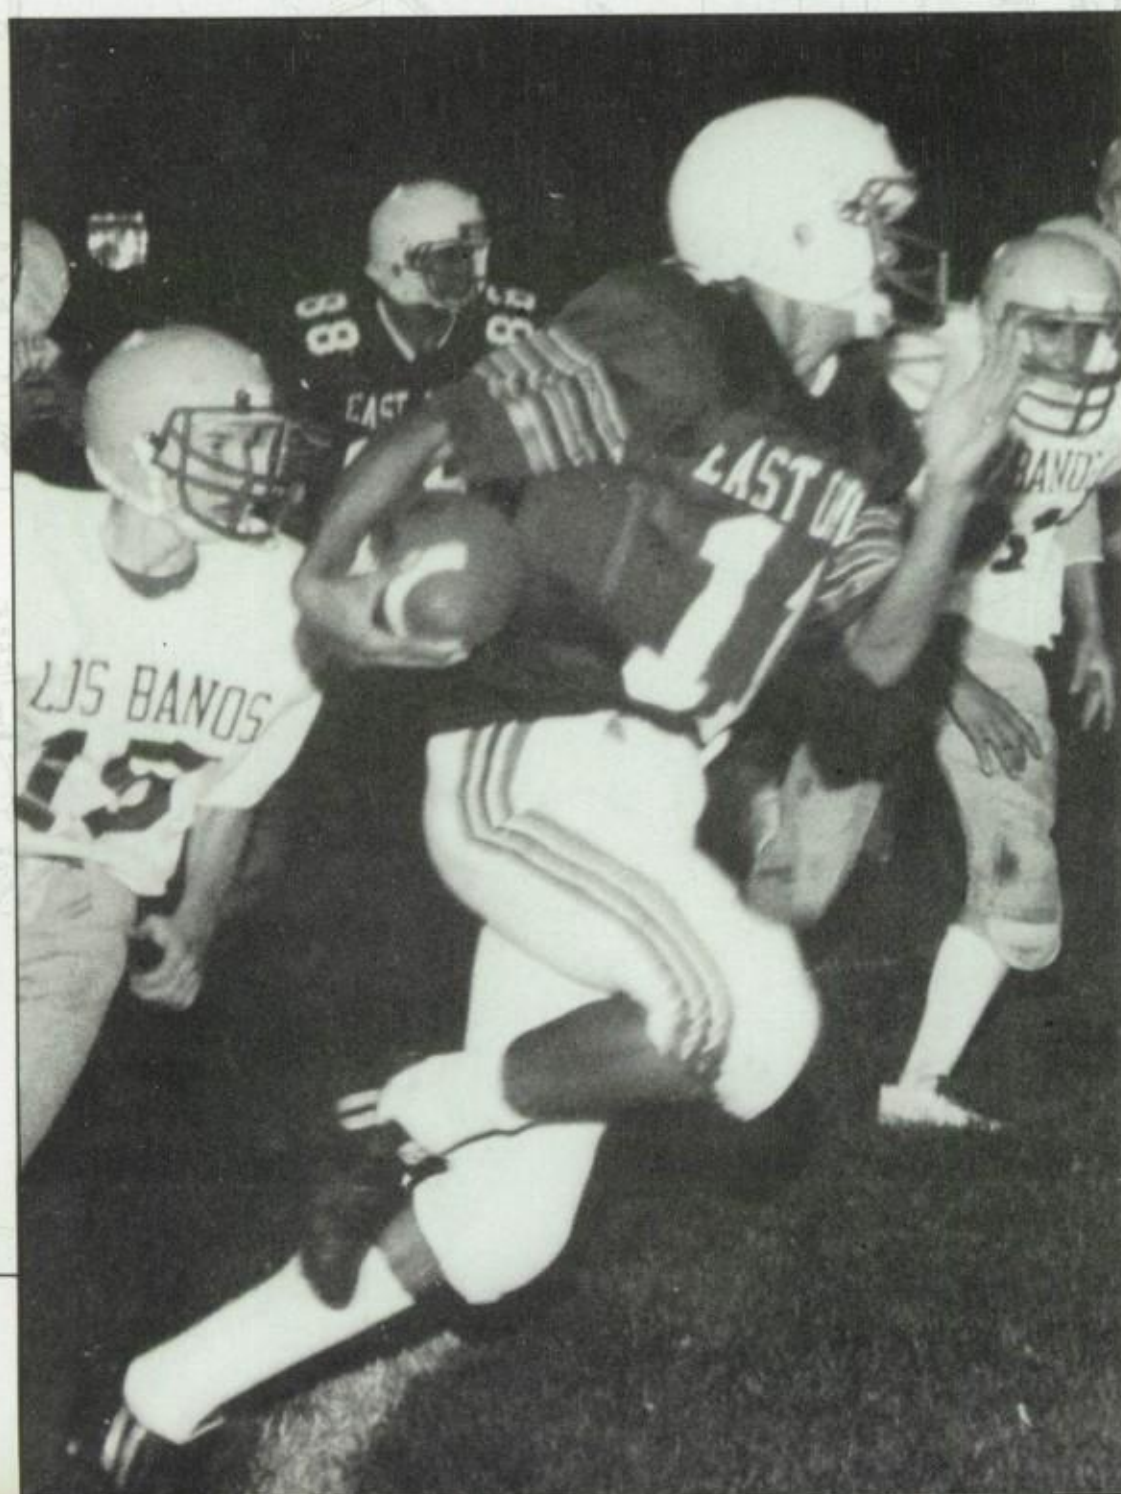

to dominate the opposition offensively, while a stingy defense gave up very few points. In fact, they lost three games by a total of only seven points. Our Squires deserve a lot of credit for their hard and determined efforts. Great Job Squires!

Rome Ilardi (#20) pours it on for a Big Lancer gain.

Front row: R. Spence, S. Gonzales, R. McCleary, J. Zaragoza, C. Paterson; row two: K. Kilberg, G. Harley, J. Murrillo, J. Gutierrez, J. Ward, J. Wall, B. Lanning, E. Souza, J. Garibay; row three: R. **Strength-**Armando Avina(#11) pressured by a Tiger continues to display is great strength.

## Fast Lane to Victory

Speed, Action, Power, and Strength. These four talents brought victory to this year's Pages. They fought all kinds of obstacles this year, but it all paid off in the end. While we were all home enjoying the last weeks of summer, our Freshmen football team was out practicing in the heat. At this time they were being transformed into a team that would take it all.

The Pages worked especially hard this season and with great success, too. They finished the season with a five win no loss league record. What was the secret to the Pages' success? Coach Hardcastle replied,

"Team Unity-yes, team unity let us take it all." This seasons victory brought to the Pages the V.O.L. Championship Title. They ended the season with a 14 win six loss leading record over the previously undefeated Manteca High.

The Pages' front line was led by **Joey Moreno**, **Burke Gillis** and **Eric Wohle**. The most valuable offensive player award went to **Armando Avina**. **Mark Kackley** left this season with the most valuable defensive player award and **Delshawn Williams** was this year's leading scorer. Great job!

Front row: Tina Alexander; row Two: Gail Hobbs, Lori Wilson, Michelle Taylor, Emma Young, Angie Pinheiro, Tammy Ory. Back Row: Coach Waterman, Kim Taylor, Kim McCreath, Carey Pullium, Lisa Johnstun, Jeanie Hardy, and Stacey French.

## Takin' It Slow

Waterman. Great efforts also came from: the Taylor sisters, Lori Wilson, Tammy Ory, Lisa Johnstun, and Wannette Burton. This spirit showed when E.U. confronted M.H.S. even though the ending wasn't very happy. With a close game Coach Waterman remarked "We didn't lose, we just ran out of time." The Lady Lancers then went on to play the Oakdale Mustangs, without any regrets they finished this year's season in high spirits.

The Lady Lancers holding on to a fairly good season, showed their Lancer Spirit. Even though they've had past seasons that were better, this season wasn't their worst. The whole team deserves credit, especially noting the plays of Coach Waterman's guards who put up excellent fights. Tiny Tina Alexander did a good job of hustling throughout the season. "She plays awfully big for someone who's only about 4'10"," remarked Coach

1. Great Effort by Tina Tina, as she jumps high for a shot.
2. Displaying Talent is Carey Pullium attempting a free throw.

## Shake, Rattle and Roll

There was plenty of that plus a lot more as this year's Varsity Basketball sent on its way. The highlight of this year, as is all other years, is that of the confrontation of EU's Lancers against MHS' Buffaloes. If you were there, you saw it all and know that it was a great hes way before the Lancers got on the court. But then the time came and the Lancers got really rolling, notching in a VOL victory over Manteca at 50-43.

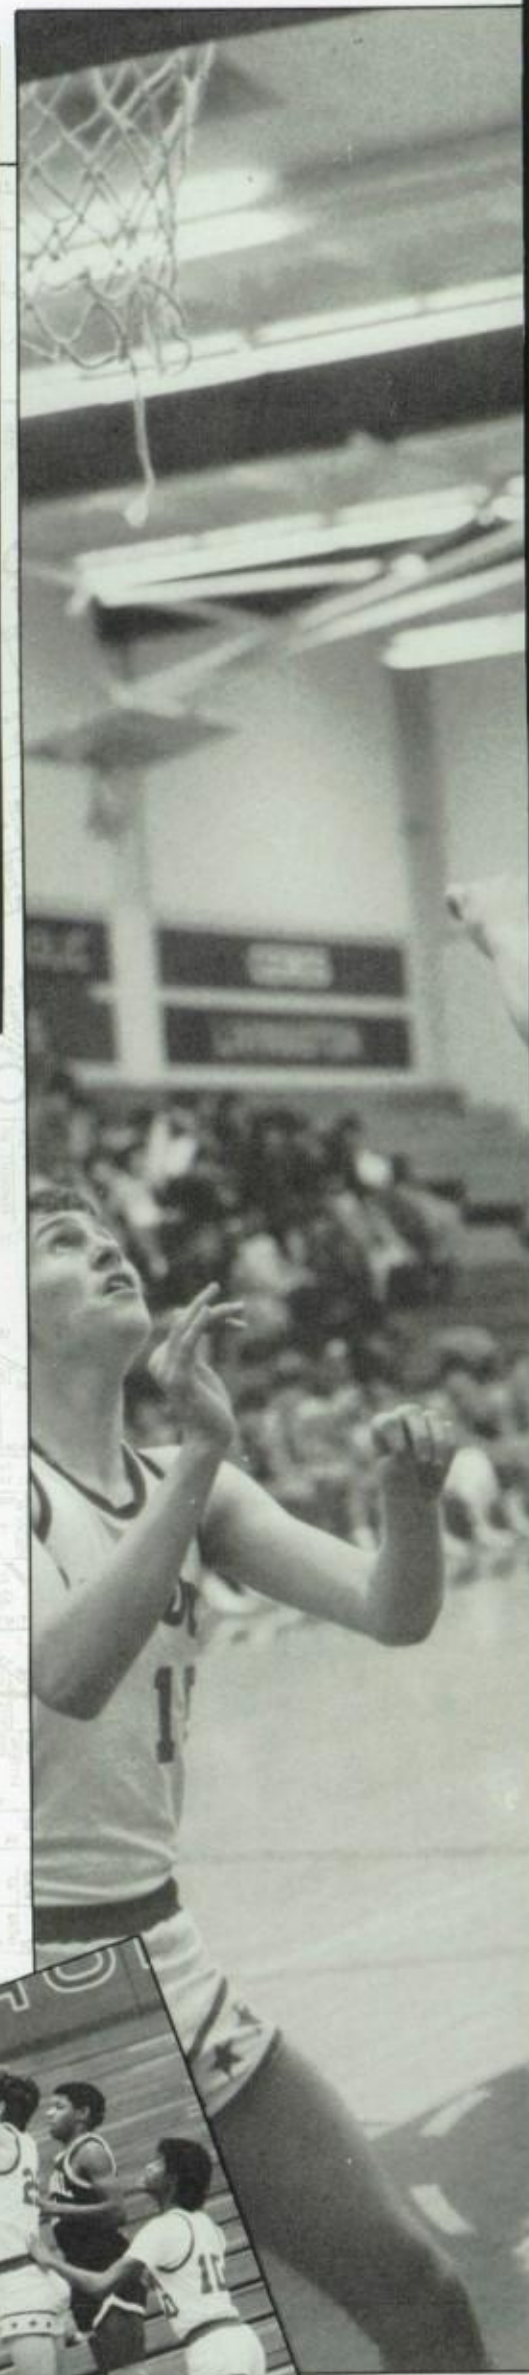

But as we all know, the Lancers took other victories as well. They had a great start winning the opening game in the VO-GVL against the Livingston Wolves, rolling to a 70-51 triumph. The photos at right clearly display it all! Another win was taken at Ceres. This

game was ignited by *Gary Kron* and *David Horton*, both scoring 13 points and *Sean Harmon* scoring 16. This Lancer victory left them (2-0, 11-6) tied for first in the VOL with Sonora. Then came their time to play Sonora. This win over Sonora left EU's VOL standing at 4-0 and 13-6 for the season, making them one game ahead of the Wildcats. Making the Lancers a spotless 7-0 mark in VOL and a 16-6 overall, was their victory over Oakdale. Their secret? Well it was EU's devastating 1-3-1 zone defense says Coach Stricker. This scheme led the Lancers to a win of 70 to Oakdale's 42.

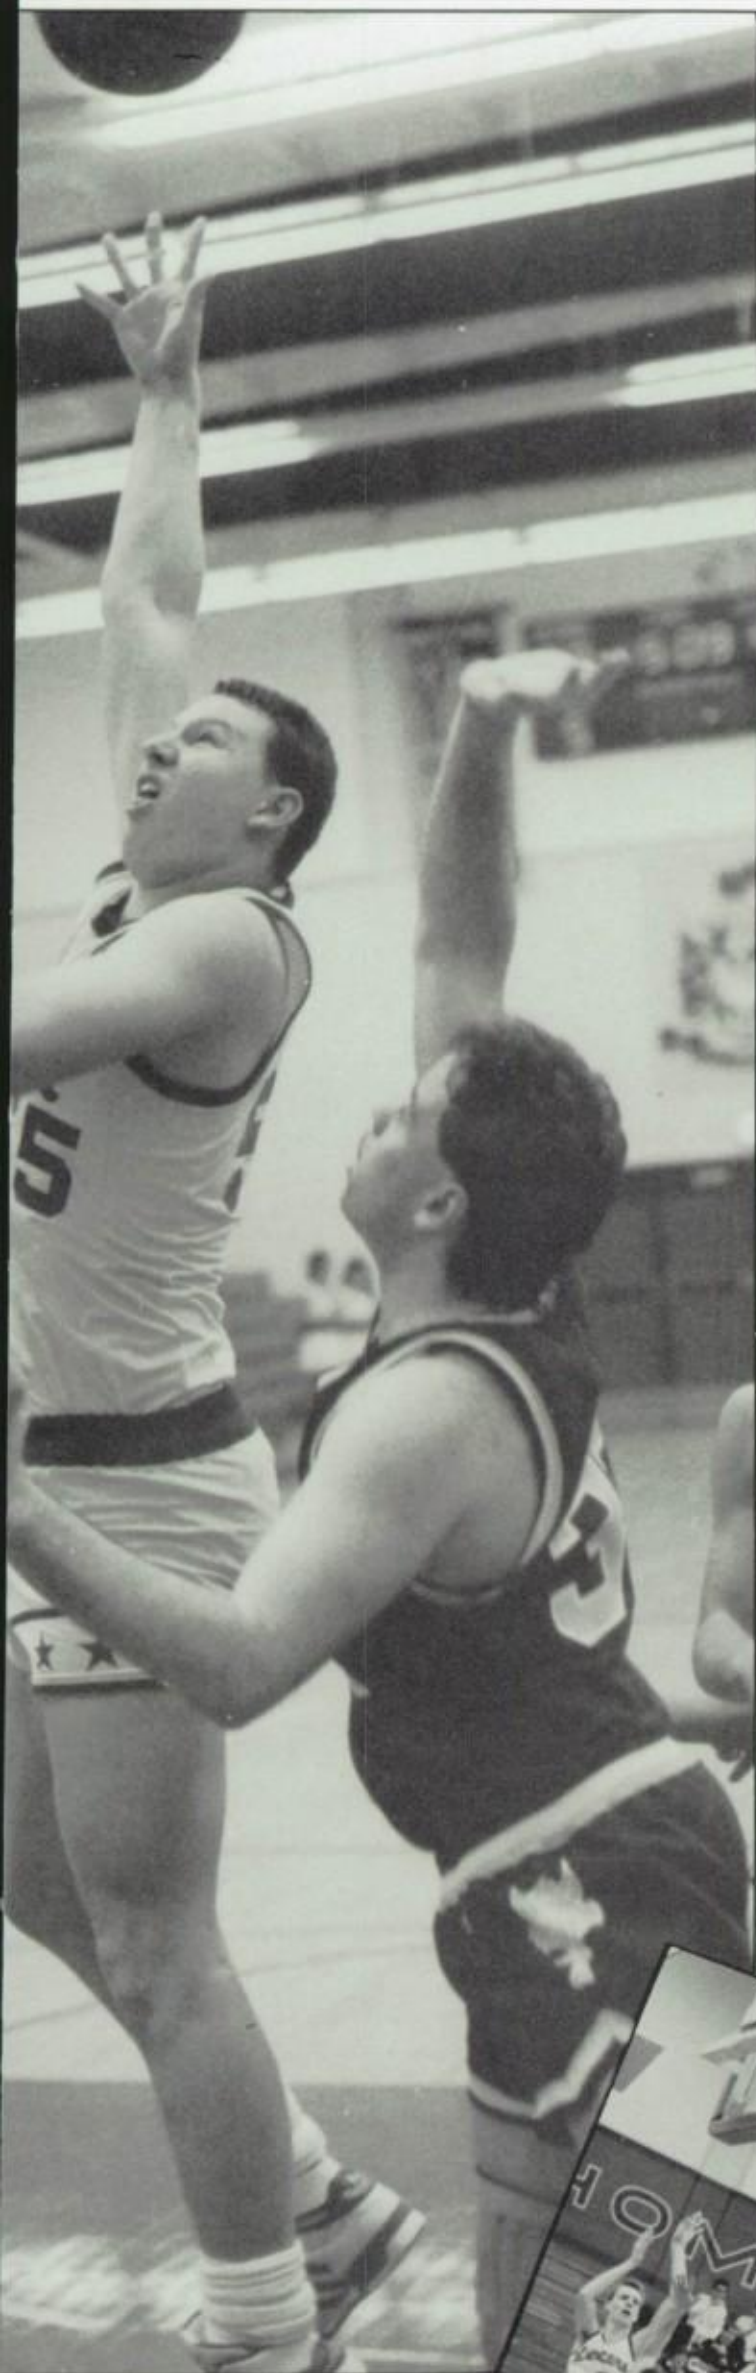

It clearly was a great year!

The 1987-88 J.V. Basketball team had a very exciting year. The Squires didn't have any set starting players, so all shared the spotlight at one time or another. The Squires had many close games including a very exciting game with MHS. The Squires hung on with a score of 38 to 33, with **Myke Garcia** pacing the Squires with 20 points in the game.

Even though the scores showed that the team was down by a few points, it held on until the final seconds of the game.

The Squires were coached by Mark Liles and assisted by Ron Interbitzen. Good luck goes out to the whole team as they go on to their year as E.U.'s Varsity.

## Future Success Just Ahead

This year's Freshman Basketball team had a very impressive year. With a season of 21 games, the Pages had a winning streak of 19 games and only two losses. With the Freshman not having a big crowd at the games, they were still a very exciting team to watch. One of the major highlights was the last game of the season which was the East Union vs. Manteca. The Pages seemed to dominate the Baby Buffs throughout the entire game,

with the enthusiasm of the crowd reaching its peak at the closing seconds of the game. They excitedly started chanting "V.O.L." And at the sound of the buzzer our Freshman had taken it. The Pages were coached by Paul Harmon. With the Freshman going on next year to play Junior Varsity, they look like a very promising team for a great 1988-89 season. Good Luck!

These five girls were the newcoming varsity netters.

and **Tera Snow** and **Becky Martin**. Lisa and Lynn pulled their talents together and also participated in this doubles tournament. These duos played excellently! **Lisa Bungacayao** and **Lynn Fowler** took second place, while **Julie Land** and **Jennifer Nicholson** took forth.

At the end of each season it comes time to recognize the players for all their efforts. Voted for All-League were **Lisa Bungacayao** and **Lynn Fowler** for their outstanding records throughout the season. **Becky Martin** was voted Most Improved, while **Julie Land** received the Booster's Award.

## Running-The Way They Traveled

The East Union Cross Country teams were on the run this year setting great individual records. For the 15th straight year our 'harriers'—cross country runners—have made it successfully to the subsections, with the oversight of Coach Soeth. But it is after these 15 years, that Coach Soeth has decided to retire as Cross Country Coach at East Union. We will miss his great successes!

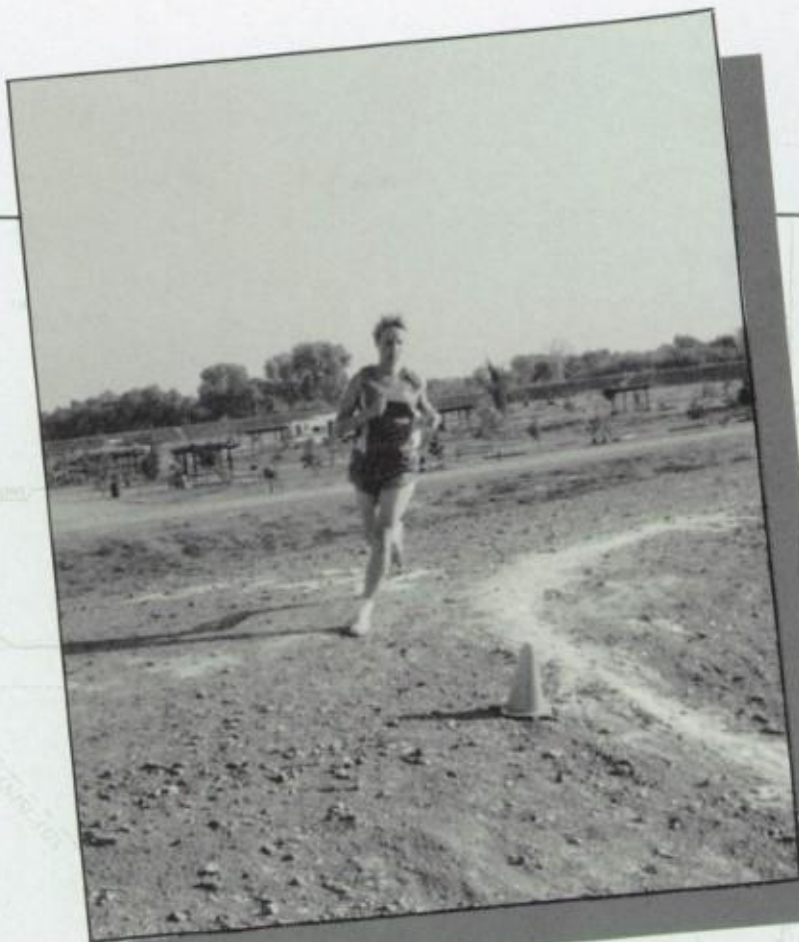

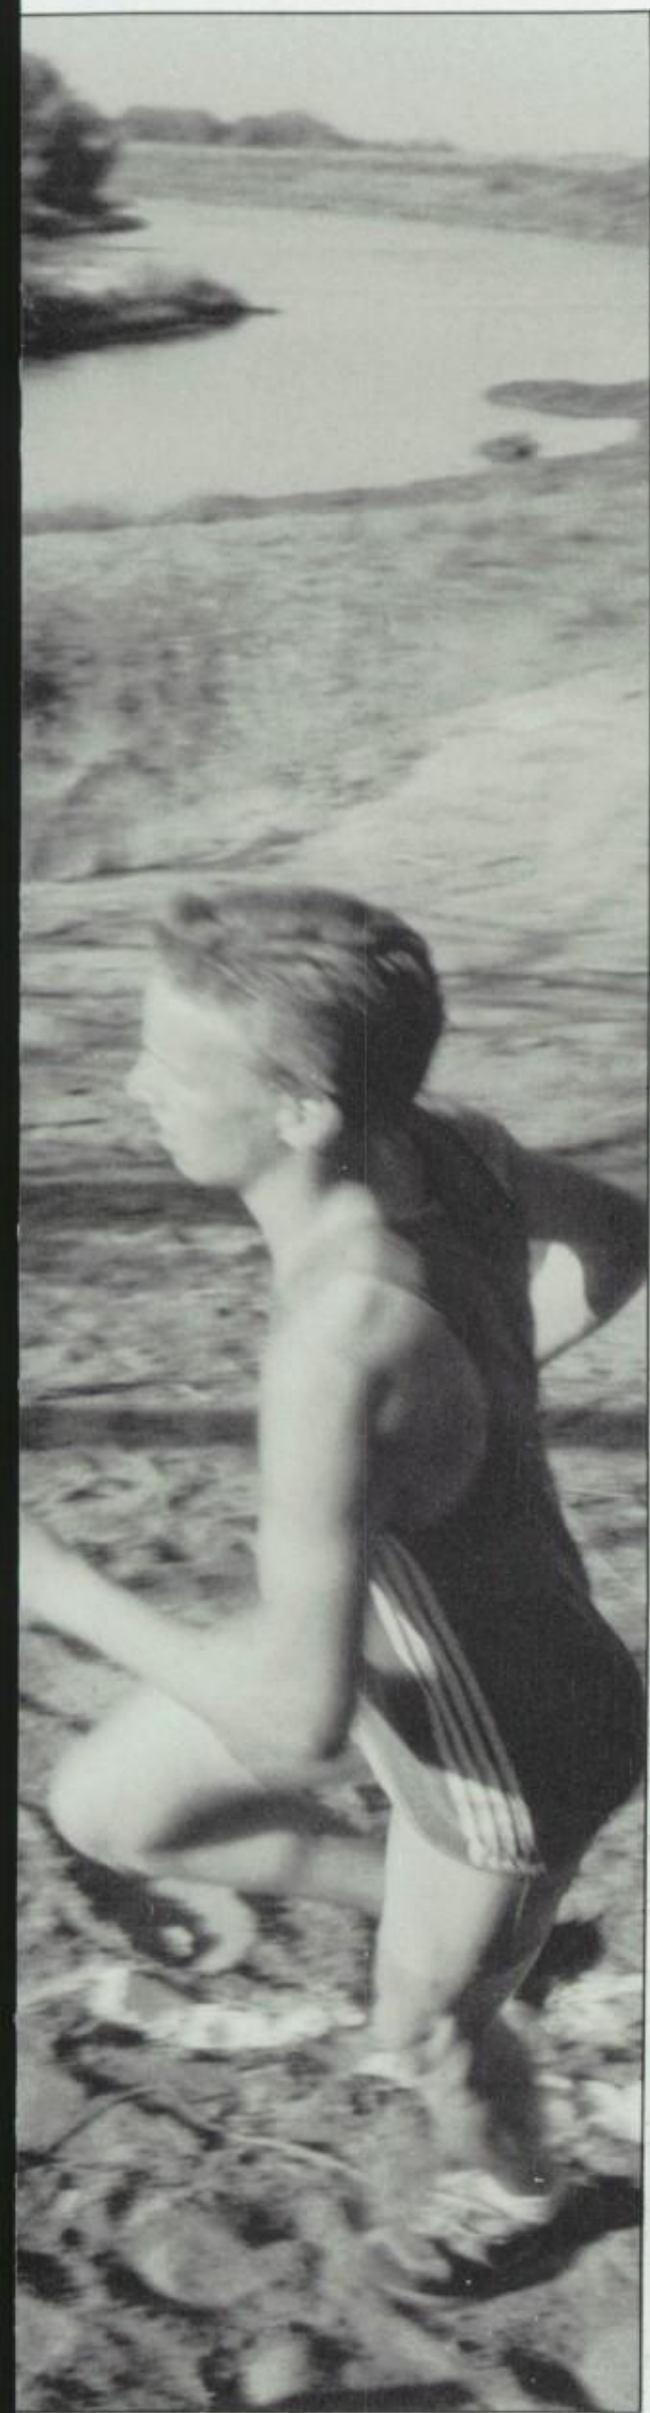

This year we have some new record setters. **Mark Polesch** was titled, 'This Season's Best' and this is unquestionable, too. He obtained a gold medal in the Junior race level at the VOL Meet. He also set a new E.U. course record for the three mile run at 15:38. **Mike Zarevich** competed in the Frosh-Soph division. He obtained medals in the VOL Meet, the SJAA Invitational, the Frog-town Invitational and also the Edison

Invitational. Mike also set a new E.U. course record at the Frosh-Soph level in the three mile run with a time of 11:15. **Hung Vu** was also a VOL medalist. He has improved so much, that he now stands in the number two spot in the Frosh-Soph level. He is noted by Coach Soeth as a quick and powerful runner. A final record setter was placed by one of cross country's girls—**Emma Young**. She also broke the E.U. course record for the three mile run with a great time of 24:28.

Though this was a great year for most of the cross country runners, it wasn't a stellar year for the cross country team as a whole. It wasn't because of the lack of speed or strength, it was in fact, because there wasn't enough participants. So go on the road with cross country, you'll enjoy it! They did!

## Starting In Neutral

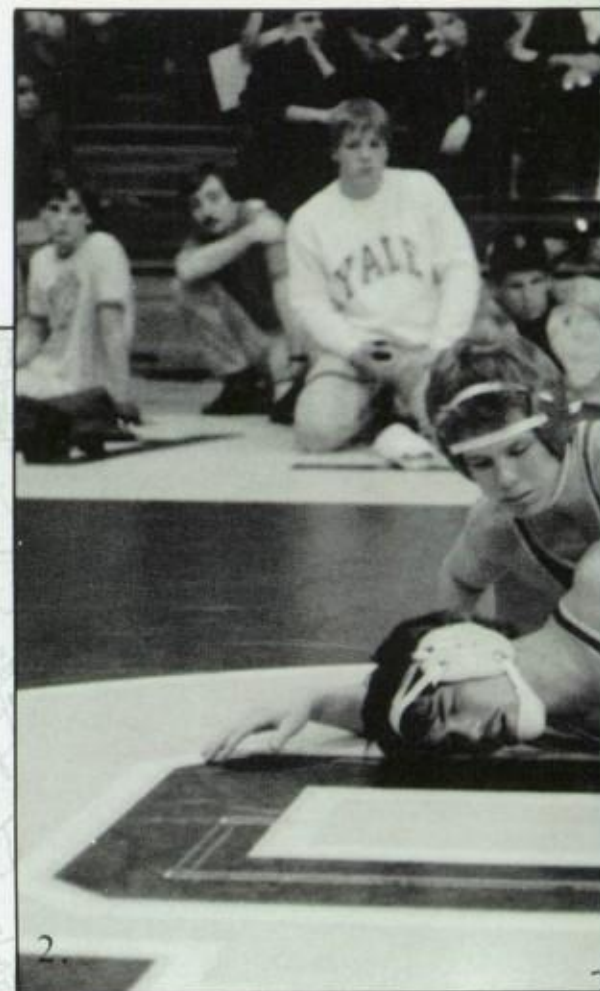

East Union's wrestling team contained many outstanding individuals this year. Mr. Rice says, "As a team we could have done better if everyone had started practicing sooner, but we did have our share of outstanding individuals."

Among these were **Ricky Wells**, who claimed the 108 pound title where he faced stronger foes; **Angelo Gama**, who was a

medalist at the VOL-GVL Tournament weighing 122 pounds; and **Shawn Perez**, who had consecutive third-period victories over Livingston and Oakdale, giving him his first ever 'All-VOL Award'. **Eric Schwertscharf** and **Paul Widmer** also made a name for themselves, but unfortunately for Mr. Rice, Graduation takes these matmen away.

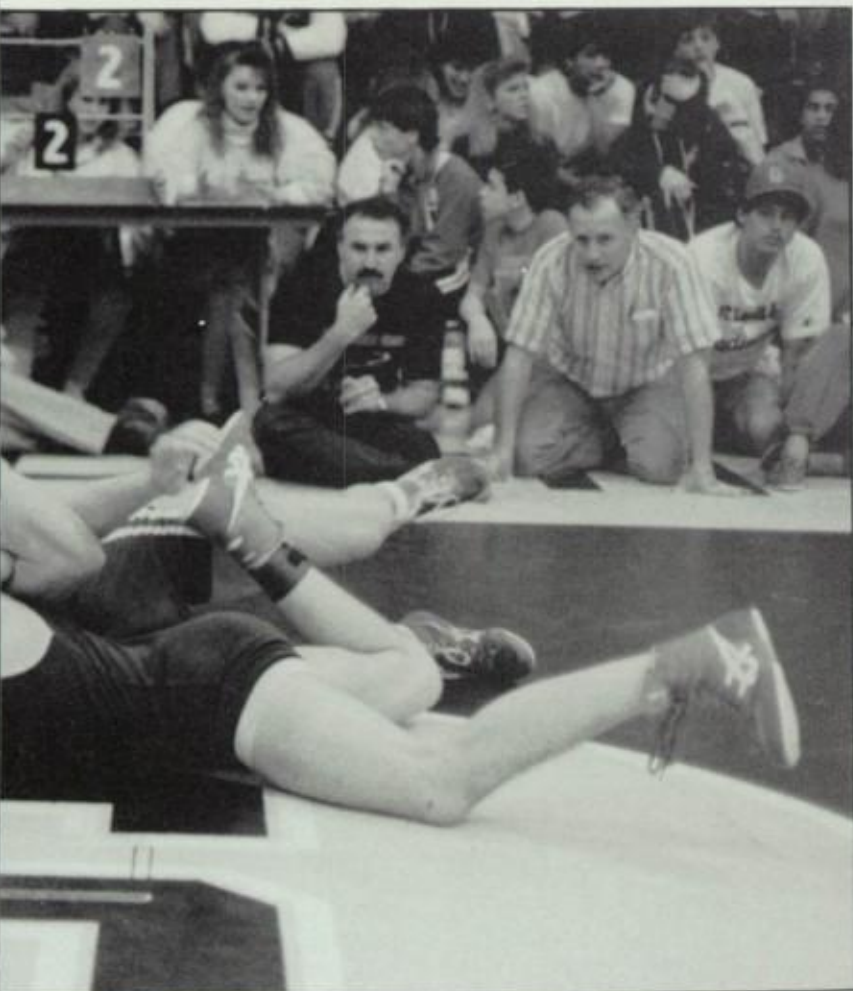

Front row: A. Gavino, K. Hilberg, M. Barker, S. Fore, R. Jackson, J. Munroe; row two: D. Ramos, D. Meadors, C. MacDonald, J. Strock, E. Kysar, E. Schwertscharf, J. Green; back row: S. Perez, A. Gama, A. Cole (score keeper), L. Perez, M. Rice, D. Porter-Coaches, J. Torrey and P. Widmer.

3. Only inches away is **Ricky Wells** from pinning his opponent with a head lock.
4. Total control. Yes, R. Wells has it again.

5. Breaking the opposition—**Paul Widmer** takes his opponent down to the mat.
6. Turning the wheels is **James Duncan** as he begins an escape.

## Coach's Comments

We need a lot of replacements in the upper weight classes because we are graduating several wrestlers this year. This will help dramatically if we plan to do better than this year.

Coach Mark Rice

7. Another opponent falls as **E. Schwertscharf** starts a Half-Nelson and lays his opponent to rest.
8. Another victory for E.U. features **Angelo Gama**, pinning his opponent with a Cross Face.

# Taking Control

The East Union Varsity soccer team had a tough season this year because they were defending the 1986-87 V.O.L. title. Their season this year started off with two losses, but they came back and won five games in a row, and during that time they also won the VOL/GVL Tournament. This year was their best because it was in this year that the Varsity won the most games than in any of their past seasons. But as this season neared the end, the race for the V.O.L. title was between Oakdale and East Union. Unfortunately, they took it.

The Junior Varsity soccer team had the best season yet in the history of East Union. They finished 8-3-1 in League. It started off with a loss to Oakdale, but then won three in a row. After a loss to Manteca High, the season was halfway over. Then the defeated Oakdale which created a three-way-tie for the V.O.L. title, East Union, Oakdale, and Manteca. The last game JF played decided if they won V.O.L. Though they were defeated, they did shut out three other teams.

# Seniors Show

I can remember back to being a freshman, trying to show we had lots of spirit while the other three classes booed us. I can also remember looking up to the seniors, who always seemed to have the most spirit and always won the spirit competitions. Were those seniors really that spirited or were those competitions just rigged? Thoughts like this ran through my mind for the next three years. Then I became a senior; now was my chance to solve the mystery. Much to my surprise, they really are as spirited as they seem. I guess we realize that this is the last year of easy life, and we become more involved. We cheer louder, yell longer, stamp our feet harder and we show more spirit. The Class of 1988 is no exception. You can always tell where the Seniors are, whether it be at a football game, a rally or just around campus. Seniors truly have and show the most spirit!!!

Top - Push harder Shawna, you'll squeeze those senior's in. Above - David H, Chloe H, Tim H, Lynn F, and friend show they have just as much spirit as the next guy Upper left - Carrie, Mike, David, Cheryl, Tim, Jeff and Michelle show good spirit at lunch. Left - Senior's see how many people they can squish into a volkswagon.

# Why Not Be Ourselves?

As freshmen we try to act cool. We dress in our most fashionable clothes, do our hair just right and act as grown up as can be. We try to fit-in rather than to stand out.

As sophomores we began to relax a bit. Clothes weren't quite so important, but we were still out to impress the upperclassmen.

Our junior year, the seniors were our idols and we can't wait to be them ourselves. We act grown up and cool, but we don't need to try as hard as the underclassmen to impress everyone.

Finally, it's here- our senior year. We still like to dress fashionably and we still think we're the coolest kids in the school, but you wake up late one day or you just can't find any clothes to wear. No problem, just throw on whatever you can find. Want to act a little crazy? Go ahead. You're a senior. Show your spirit; act like yourself; you deserve to celebrate; after all, we have worked hard to get to where we are and we are SENIORS!!!

Tommy, really this isn't airplane school. Matt shows his true feelings. Tina— What a MODEL.

# Juniors

"Class of Eighty-Nine does it again!" 1987 Junior Class float takes First.

"John, did your mother dress you again?" Kristin Santa Maria bears with John on one of his bad days.

"My kid-let's get real!" Adam Holbrook denies any connection with Risa Gonzales & child.

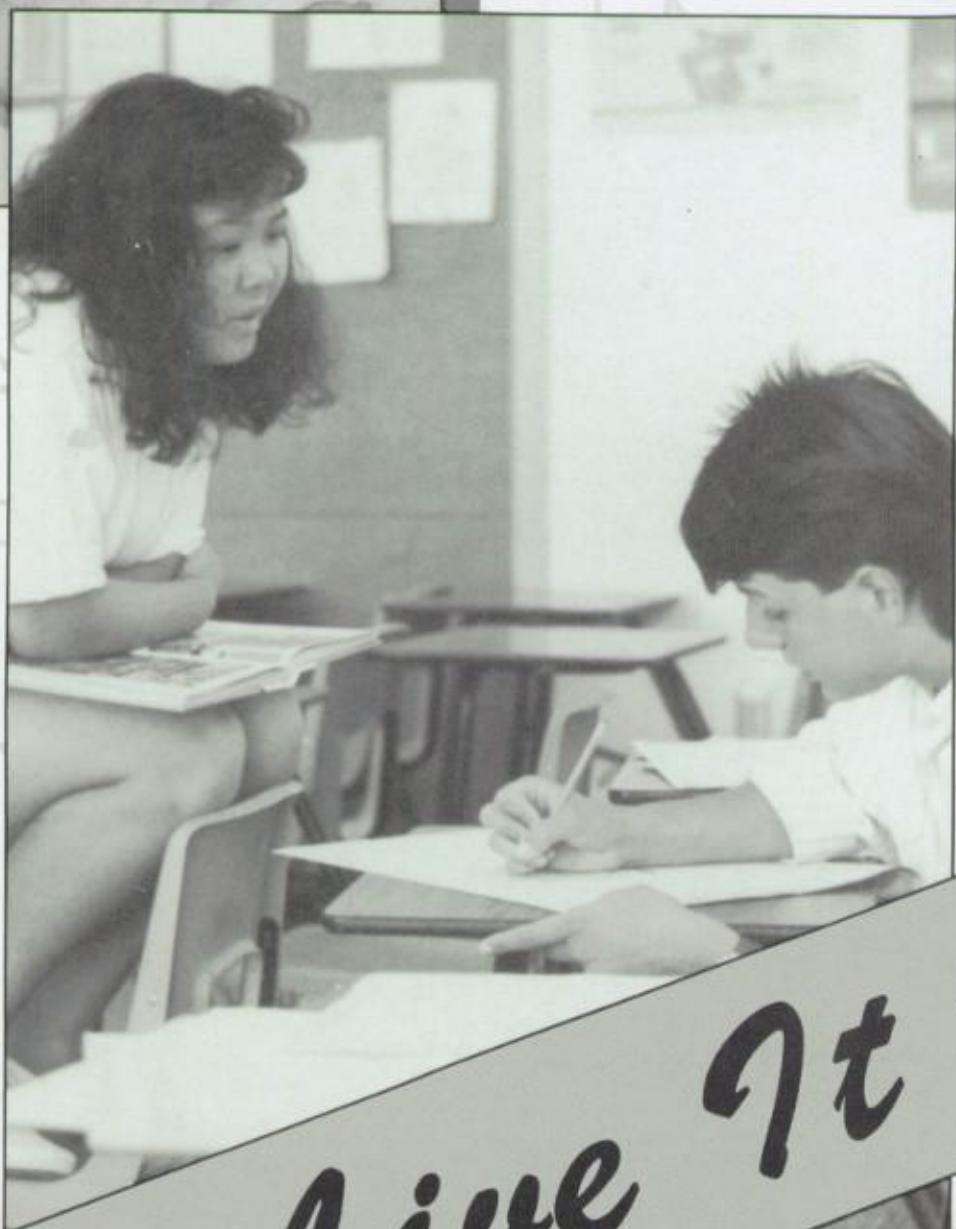

"Cheating AGAIN Michelle?" Michelle DeArcos at it again.

"My beloved Scott . . . . ." Cindy Lum dictates a letter to John Herbert.

"As the full moon rises . . ." Crystal Harcastle & Cindy Lum become Wheeze-women.

"Can you smile a little bigger for us, Rachel?" Rachel Robison & Stacy "Guess What!" French give their best smiles.

## "Volleyball Star"

Crystal Hardcastle is a junior on the East Union Varsity Volleyball team. She attended Shasta Elementary School. She involves herself in many school activities. Volleyball is Crystal's favorite sport and has been playing for E.U. for three years. Crystal is a very outgoing and thoughtful person, and just about everybody's friend. Many people may know her cousin, Mr. Hardcastle, who just happens to be her favorite teacher, too. Crystal is sure to be a great asset to the East Union Volleyball team and will be a terrific success in the future.

## "Basketball Star"

Sean Harmon is a Junior at East Union. Born in Washington, Sean moved to Manteca nine years ago. Sean has many hobbies, basketball and drawing, just to name a few. He enjoys watching Pro-Basketball and the Boston Celtics are his all-time favorite team. Varsity basketball will be the sport for Sean this year. Sean hopes to be able to play Pro-Basketball in the future. Sean plans to attend North Carolina University. You can bet in the future the paper will read, "Sean Harmon: Boston Celtics' first draft choice!"

"Hi! May I take your order?" Teri Toler at your service!  
 "Leticia, I want my pencil back now!" John Hebert looks for his pencil up Leticia Enriquez's pant leg while Kristin Santa Maria waits to look for her pen.

## Freshmen no More!

"Good! At least we're not Freshmen!" "Only 2 years to go after this year!" "It'll be more fun this year I bet!" "Let's trashcan!"

Hmm . . . Sound familiar? Just words that were constantly repeated the first week of school! Being a *SOPHOMORE* was truly a big thing for us. No longer Freshmen, no longer scared of going to games or dances, no longer scared to show our spirit, no longer scared of walking down the halls! We felt as though we were grown up-ready to show the upperclassmen we were for real!

This year, our Sophomores were superspirited! We all got involved in many activities that helped boost our morale and establish the Class of '90! We made it through the year gracefully and with style! We were out to *CELEBRATE '88* the Sophomore way!

Food!  
The Sophomore hill at lunch!

# Freshmen

Well, we've finally made it! We've made it past our freshmen year. As Freshmen we were exposed to the many fun activities of East Union such as the many rallies, football and basketball games, and the different homecoming activities. We've met alot of new friends this past year. Our freshmen year was difficult, but it was a lot of fun! Now that we've experienced high school, we'll be able to set forth more goals and have greater expectations for our sophomore year. Good Luck!

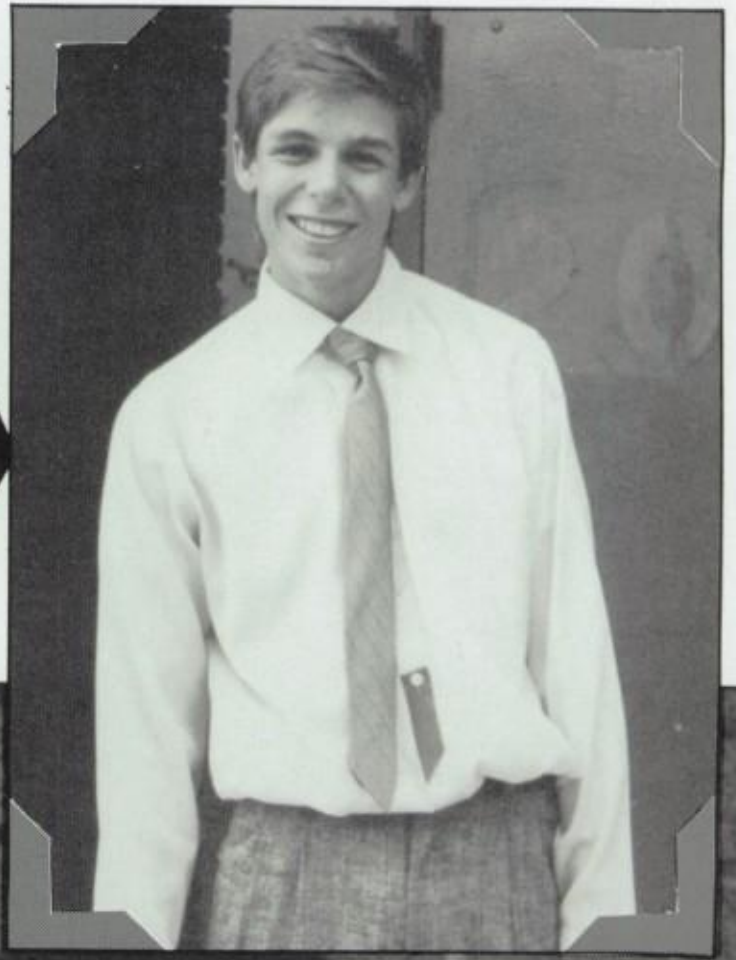

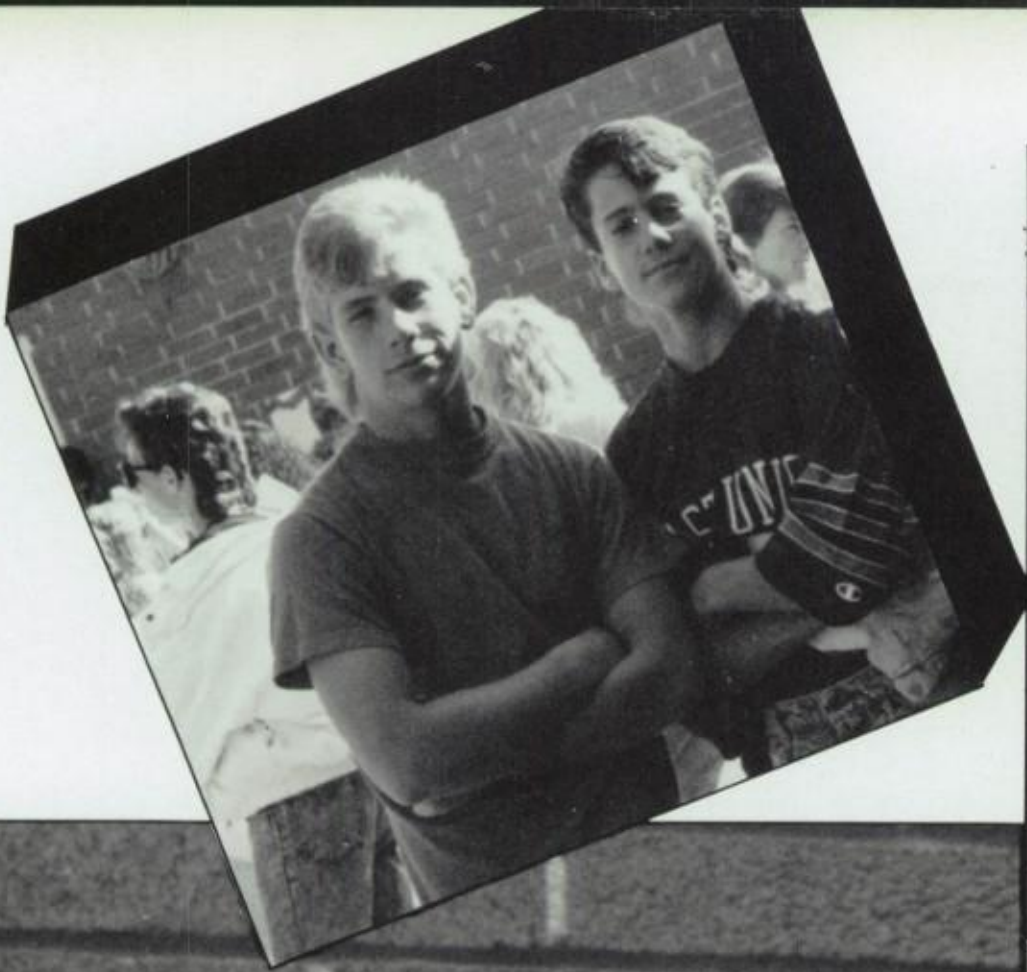

Erin McKinley-Borling- Erin sits in History Class "looking" like shes interested. Student Council-President-Bryant Gavino, Vice President- Audra Guinta, Treasurer-Lisa Nagranza, and Class Representative- Emily Cudal.
